From the Head Teacher

Dear Parents/Carers,

We have reached the end of term all safe and well. This year has been very difficult for all of us with the pandemic, but it has been wonderful to see so many of our children attending school and being happy to be back.

We have in this short term back, run some marvellous activities which everyone has enjoyed. Please look at our website and twitter pages to see what we have been up to!

Can I remind all parents to update us with their email and mobile numbers? We need this information to communicate with you more effectively and to contact you for remote access meetings where appropriate

Have a relaxing break over Easter and we'll see you all safe and well in the new term!

Mrs. Sofina Islam OBE,
Headteacher & NLE

Easter celebrations!

What an exciting week we have had this week at Stanton Bridge Primary School. We have been busy celebrating Easter!

Children from across the school have participated in an Easter competition where they had to create a bonnet or a model. We are absolutely astounded and proud of the work the children have produced.

It was difficult to choose winners as they were all amazing!

We also participated in Easter activities where we have been creating Easter cards and doing some arts and crafts around the theme of Easter.

We would like to wish everyone a happy Easter from Stanton Bridge.

School Stars

May I congratulate our children who gained School Star status for:
Impressive attitude towards reading through remote learning and in school.
