From the Head Teacher HAPPY NEW YEAR!

Dear Parents/Carers,

I hope you all had a safe and refreshing break and children are ready to jump into the spring term feet first!

What a tremendous term we have planned for you, there are lots of surprises to come. I am so excited, the teachers are too but we cannot let slip any clues. Maybe if you become detectives you can use some of your reasoning skills to work out what we have planned.

Back in November 2019 school had an Ofsted inspection and this week the report was released. We have achieved an overall rating of good, which is excellent under the new Ofsted framework. Five areas were looked and graded during the inspection, these were:

- The quality of education -Good
- Behaviour and attitude -Outstanding
- Personal development- Outstanding
- Leadership and management- Good
- Early Years provision - Good

The report states:

'Pupils at this school are getting a good deal. They learn a wide range of subjects and are happy. Pupils from lots of different backgrounds work and play together cheerfully. Pupils feel safe because they trust the staff looking after them. They build good relationships and like their teachers.'

'Pupils with special educational needs and/or disabilities (SEND) receive valuable support in lessons and extra sessions.'

Staff in early years are friendly and approachable. They give parents and carers lots of information about school life. Good communication between home and school helps children settle quickly. Effective teaching keeps children safe, busy and happy'

There are many positive statements and I hope you will all join with us in celebrating the schools success.

What should the NHS do differently?

Healthwatch Coventry will be running a focus group for parents/carers of children and young people with SEND to help you give your views on services provided by our local NHS

Tuesday 28th January 2020 (9.30am - 12.00pm)

How can the NHS make it easier for you to access support in different ways; improve communication; and involve patients?
We are holding a Focus Group for parents/carers and young people. Places are limited, book early to avoid disappointment.

If you aren't able to attend you can take part in our survey at:
