

# Nursery Newsletter

It's already the end of Spring!! The children have really enjoyed their learning this term. They had a fun-filled time at their superheroes' party and looked amazing in their superheroes' costumes.

## Literacy

During this term the children have had regular phonics lessons. Our focus has been the initial sounds of words. Additionally, the children have been practising writing their names.

This term the children have also read three amazing story books: Supertato, Little Red Riding Hood and I Want a Party. The children have liked listening to stories, retelling and enacting stories using props. They have also enjoyed creating superheroes using a variety of vegetables. Please regularly share books with your child.

## Maths

In Maths the children have been learning all about repeated patterns. They have created patterns using multi-links cubes and 2D shapes. They have also enjoyed playing Maths games on their iPads.

## Physical Development: Health and Self-care

This term the children have been learning about healthy eating. They have really enjoyed tasting a variety of fruits and smoothies. Please talk to your child about his/her learning on a regular basis.

Thank you very much for your support.
