

Nursery Newsletter

The new term has got off to a busy start. We have been busy settling in all our new nursery children and getting to know our enthusiastic young arrivals.

Literacy

This term the children have learnt about each other through our "All About Me" topic. Through this topic the children explored what made them special. The children have also enjoyed reading amazing story books: We're going on a Bear Hunt and The Gingerbread Man. The children have enjoyed listening to stories, retelling and enacting stories using props. Please share story books with your child on a regular basis.

Maths

In Maths the children are learning to recite number 1-10, and counting objects in meaningful contexts. The children have been learning various counting songs. Please ask your children to share these songs with you. This term the children have also learnt to recognise and name basic 2D shapes.

Understanding the World

This term we have been cooking with the children. We baked and decorated gingerbread man cookies. The children had also learnt about different material. We investigated which material was the best for the Gingerbread Man to build his boat out of as he needed to cross the river safely. The children enjoyed building and testing boats.

Thank you very much for your support.
