

# Reception Newsletter

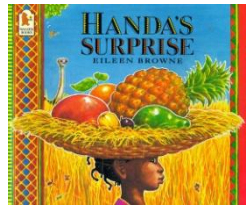

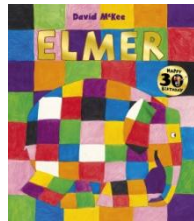

Autumn 1 –2018  
Volume. 2 Issue 1

## RWinc

In Reception the children have been continuing to work hard on their phonics this term. They have been using their set 1 sounds to help them blend and segment words so they can read independently. All children will continue to work on these skills next term and practice using them to spell words and write CVC/CVCC words. We are still practising our tricky words; **I, no, go, to, you, he, she, me, the, said, my, are, come, some, your.**

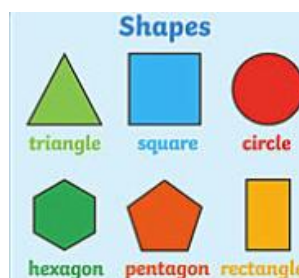

## Reading – amazing books!

In Autumn 1 the children have been reading some fantastic books. We have read Elmer and Handa's Surprise. They have really enjoyed learning new words, learning to retell the story in order and repeating phrases from the story.

## Maths

In Maths the children have been recognising and writing numbers to 10 and beyond. We have also learnt the names and properties of 2D shapes. In the final week of this term we have been creating our own repeated patterns using shapes and colours.

## Knowledge & Understanding of the World

This term's topic has been all about me and Autumn. We have been on an Autumn walk and found Autumn leaves in the environment. The children have also enjoyed learning all about Africa. We looked at traditional African clothing and even played the African drums!

Thank you for your continued support.

The Reception Team.
