Reception Newsletter

Reading Books

Reading books are changed weekly. Please ensure that they are in school by Monday and ensure that you have signed their reading records.

Please take your child to Foleshill library so they can be exposed to a wide range of books.

In Reception, we need to learn to read and write our action words. They are in your children's home learning book. Please help your child learn these. It will help them when they begin to write sentences.

We give homework out every Friday.

It must be returned to school by Wednesday.

If your child needs any help or support then please let the teacher know as soon as possible.

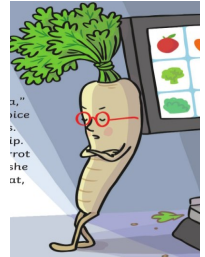

The Reception team consists of our teachers: Mrs. Usman, Miss. Pattni and TA's Mrs Ana & Miss Shingai

What have we been learning?

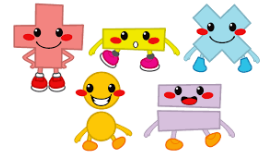

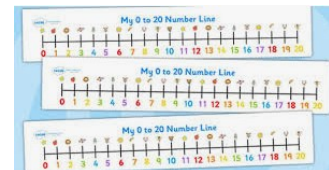

English

This term in English we have been learning all about the stories, Carrot Club, Pirates next door and The Bumble bear. We have developed our vocabulary and used adjectives to describe the characters. Our characters came to life and the children helped the pirates find lost treasure! They even had face painting to become pirates. During our English lessons, we have sequenced pictures and drawn story maps

Maths

This term we have spent time learning all about money and time. We have also been consolidating addition as well as subtraction and sharing. We have used a range of resources to help us, including cubes, dienes, number lines and penguins. We have also learnt how to identify 2D and 3D shapes

Knowledge and understanding of the world

This half term we have learnt all about the celebration Easter and looked in-depth at the topic growing. The children really enjoyed watching the chicks hatch from their eggs and looking after them. All children took part in the Easter Bonnet Parade, we made Easter cards for our families and even went on an Easter egg hunt.
