

The **Year 1** team consists of Mrs Mahmood, Miss Carbonell, Mrs Sheikh and Miss Aurela. We have enjoyed learning about lots of different topics.

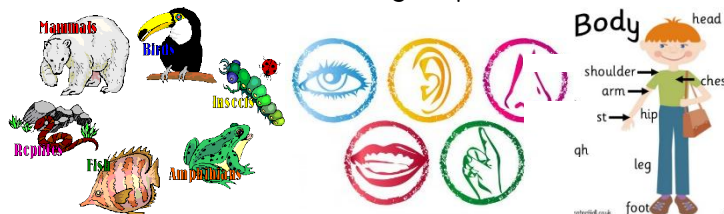

### English and Maths

The children have written a story about Bog Baby and have created a set of instructions for making one. In Maths they have focused on time, money, measurement and geometry where they've enjoyed lots of practical activities.

### Science

In Science children have studied 'Animals including humans.' They have undertaken a range of activities such as questioning games, drawing around friends and labelling body parts, investigating animal groups and watching videos to support them in sorting animals into their groups.

### Art and Geography

Children have thoroughly enjoyed learning about Bonfire Night and the Gunpowder plot. They investigated a range of media to create a Kandinsky painting. Children have learnt about the colour wheel and have experimented with colour techniques in preparation to create a firework artwork. They have rehearsed the story of Guy Fawkes and showed great enthusiasm when debating if he was a hero or a villain.
