

The **Year 3** team consists of our teachers: Mrs. Davies , Mrs. Begum and Mr. Wilkinson and TAs Mrs. Kaczor, and Miss. Walford

Creative Curriculum

As part of our DT curriculum children have been exploring textiles and clothing in Ancient Greece . Children have looked at the different clothing they wore in Ancient Greek times and created an emblem of a Greek God using their newfound sewing skills, the running stitch and even cross stitch. .

Let's Sew!

French

In French we have been learning words we could use if we were at the market and the different words for fruit and vegetables.

HOME LEARNING

It is very important that pupils are completing their homework, as this consolidates the work we do in school. Please remind your child to bring their homework in every **Wednesday**.

It is very important that your child learns their spellings please tell them to practice writing them in sentences with their listed spelling words.

Reading Books

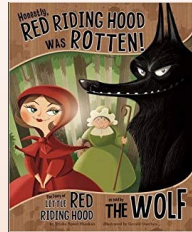

Pupils are expected to bring in their reading books everyday so that they can be changed on time and pupils can be heard to read. Please ensure that you are asking your child questions about what they read. E.g. Have you ever been in this situation? Why is the character feeling this way?

Please also use Foleshill library to expose your child to a range of books!

English

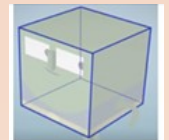

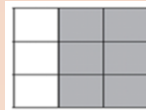

This term pupils have been exploring the story Honestly, Little Red Riding Hood was rotten, which is a different version to the fairy tale. The children have created their own stories from the point of view of the Big, Bad Wolf. We have included lots of the features we have been studying such as fronted adverbials and expanded noun phrases to make our writing exciting! We have also started to look at newspaper

reports and are getting to know the features and will be writing our own after Easter.

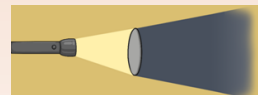

Maths

This term children have been learning all about fractions, where they found fractions of objects and numbers and then went onto solving fraction word problems! Pupils also enjoyed the concrete experiences offered by the topic of measurement and geometry.

Science

This term pupils have been exploring the topic of 'light'. They found out about light and dark, how light travels and shadows. They enjoyed carrying out various light related investigations, such as testing different materials to see which is the best reflector and even

Computing

In computing we have been researching the Ancient Greek times and created our own E-books using the iPad app Book Creator, the creations have included images that we found on the internet using **safe search** and added text and audio.

TT Rockstars

This Half term the year 3 children have been practising a lot and have been climbing up the whole school leader board. Well done! We are searching for the next TT Rockstars legend in Year 3. Encourage your child to access the TT Rockstars website from home. www.ttrockstars.com
