Volume.2 Issue.1

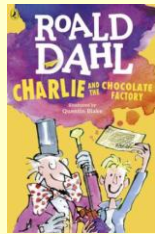

Year 3 Newsletter

Greetings, this letter is to inform you about the Year 3's education over the Autumn term.

The Year 3 team consists of our teachers: Miss Dhothar, Miss Begum, Mrs Kazcor and Mrs Dhasi.

English

In English, we have been looking at the story of Charlie and The Chocolate Factory. We wrote a setting description, as well as a narrative about the story. The children enjoyed watching and reading parts of the story, which they then implemented to their work.

Mathematics

In Mathematics, we have been looking at number and place value. The children have used their knowledge of place value to further develop the skill of recognizing what a digit represents,

Science

In science, we have been learning about Forces and Magnets. This included carrying out numerous investigations, that entailed planning, conducting and concluding. The children really enjoyed finding out answers themselves through hands-on learning!

P.E

In P.E, we have been learning skills within Basketball. The children have enjoyed learning the skills of dribbling, passing and generally using space effectively with Mr. Ali.

R.E

During R.E, we learnt about what different people believe about God. The main religions we focused on were Christianity, Hinduism and Islam. The children were very intrigued to learn about the different religions.

Geography.

In Geography we have been comparing the human and physical features of Rio de Janeiro and Birmingham. The children went on a globetrot around Birmingham City Centre and identify the various features of the city.

Computing.

This half term we have been looking at surveys. Initially this included evaluating survey features. This led onto children creating, completing, presenting and analyzing surveys of their own.

French.

This half term in French, the children have been looking at how to introduce themselves, ask simple questions and were able to produce a short recording of a conversation with a peer.

Home Learning

In our Year 3 home learning we have been revising: Mathematics, English and reading skills. This has helped us consolidate our learning and become better learners.

Spellings

It is crucial to learn and memorise your spellings. Due to the fact that it will enable you to effectively learn the spelling patterns needed for your writing.
