Autumn 1

# Year 4 Newsletter

## Reading Books

The Year 4 team consists of our teachers: Mrs. Good, Miss. Bibi and TA's Miss Mustafa & Mr. Lillicrapp

Reading books are changed weekly. Please ensure that they are in school every day.

Please take your child to Foleshill library so they can be exposed to a wide range of books.

Well done to all of year 4...we are so pleased some children have been consistently getting 10/10 every week.

Well done to Miraan, Aliya, Nandini, Victory and Maliha who have scored top scores every week.

- \* We give homework out every Friday.
- \* It must be returned to school by Wednesday.

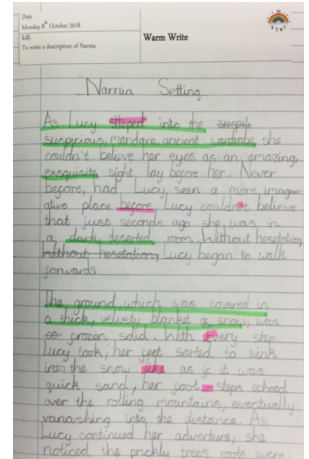

If your child needs any help or support then please let the teacher know as soon as possible.

## What have we been learning?

### English

This term in English we have been learning all about the story of The Lion, Witch and the Wardrobe. We have developed our vocabulary and used fronted adverbials and relative clauses to create an imaginative description of Narnia.

We are now using BOXING CLEVER to help us to tell the story. See if you can tell the story using the pictures below.

### Maths

This term we have spent time learning and consolidating the four operations - addition, subtraction, multiplication and division. We have also been applying our knowledge using mixed operation problems.

Here is an example of one below.

Write >, = or < in each of the circles to make the number sentence correct.

$$1023 + 24 + 24 \bigcirc 1023 + 48$$

$$1232 - 232 \bigcirc 1355 - 252$$

$$1237 - 68 + 32 \bigcirc 1242 - 69 + 31$$

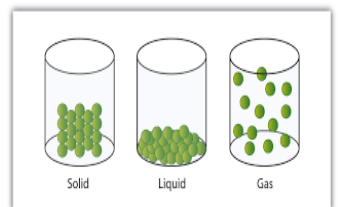

### Science

This half term we have learnt all about the States of Matter. We know all about solids, liquids and gases and can tell you what happens when their states change.

Example: A liquid becomes a gas by a process called evaporation.

We have also been applying our knowledge through reasoning. Answer this question with your child:

**Would you rather be a solid, liquid or a gas? Explain your reasoning.**

Our children are currently enjoying competing against each other in our time tables rock stars competition.

Please encourage them to practise at home using the website.
