

Our Year 4 team consists of teachers, Mrs Good and Miss Bibi and TA's Mr Lillicrapp and Miss Mustafa.

What have we been learning?

English

This term in English, we have been looking at Non-fiction texts. First of all we wrote a Biography about Lucy from The Lion, Witch and the Wardrobe.

We then completed a mini project all about orangutans. Did you know they are severely endangered due to the actions of humans? After researching how palm oil is contributing to the loss of habitats, we are now producing a news broadcast to highlight the issue. We can't wait to see the impact we can have in saving these magical creatures.

Reading books are changed weekly. Please ensure they are in school every day! We recommend that you visit Foleshill Library to expose your children to wide range of fiction and non-fiction books.

Leanna reads a chapter of her book in 4 minutes and 46 seconds.

Esin reads a chapter of her book in 360 seconds.

Who reads their chapter the quickest?

5 on the Clock

8:58

On a digital clock showing 24-hour time, over a whole day, how many times does a 5 appear?

Is it the same number for a 12-hour clock over a whole day?

Maths

This term we have been learning all about measures. We can now tell the time to the nearest 5 minutes and measure using metres and kilometres. As always, we have had great fun applying our knowledge to solve problems and reason about our answers.

Well done to all of Year 4 who have been working exceptionally hard to get 10/10 every week in their spelling test! Please continue to practise for our test on Friday's.

Science

We have had great fun finding out about Living Things and their Habitats. First we found about that animals are split into vertebrates and invertebrates. Look and the picture to find out what each of these words mean. Then we sorted different vertebrates by their characteristics. Discuss this question with your child...

What is the difference between each of these vertebrates?

Home Learning is given out Every Friday. It must be returned to school by Wednesday.

Times Tables Rock Stars

Children have been enjoying participating in our competitions held daily in school. Please support your child by giving them the opportunity to practise daily at home!

Next term we are reading the text we are reading is Oliver Twist, we will also be learning all about THE VIKINGS!
