10 May 2010

Dear Sofina

I am writing to say well done to you, your staff team, Governors and pupils on the outcome of your recent Ofsted Inspection.

I was very pleased to read the very many positive comments about the school and the progress the school and its pupils are making. It was particularly gratifying to see the recognition of the rapid improvement the school has made under your leadership.

The very large number of parents who responded to the questionnaire and their overwhelming positive responses are a clear indication that the school is meeting children's needs and community expectations.

The report highlights many strengths and provides a useful range of recommendations as to what the school needs to improve further.

I know you will take those recommendations seriously and incorporate them into your development plans for the school.

Best wishes

Yours sincerely

Colin Green
