Parents/Carers,

It has come to our attention that some of the children are using an online game called 'Among Us'. A space themed 'social deduction game' where 4-10 players take on the form of Crewmates, who must complete various tasks around their spaceship, while randomly selected Imposters must try their hardest to sabotage the others' efforts.

If your child is playing this game online please be aware that there are dangers, there is a chat feature which lets the players talk to each other to discover who the 'imposter' is. This could leave the children open to inappropriate communication with strangers.

Overleaf you will see further information and advice about the game.

Should you have any concerns please feel free to contact us.

Yours sincerely

Mr Wilkinson
