1.1 ‘Safeguarding’ is defined in Keeping Children Safe in Education (2020) as;

- protecting children from maltreatment;
- preventing impairment of children’s mental health or development;
- ensuring that children grow up in circumstances consistent with the provision of safe and effective care; and
- taking action to enable all children to have the best outcomes.

1.2 ‘Child Protection’ is the intervention that occurs when children have been significantly harmed or are at risk of significant harm.

1.3 ‘Child’ refers to everyone under the age of 18.

1.4 ‘Parent’ refers to birth parents and other adults in a parenting role for example adoptive parents, step parents and foster carers.

1.5 ‘Staff’ or ‘members of staff’ refers to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Stanton Bridge Primary School.

2 Introduction
2.1 We recognise that safeguarding and child protection is an essential part of our duty of care to all students and all staff have a responsibility to provide a safe environment in which children can learn. We understand that safeguarding, child protection and promoting the welfare of all children is everyone’s responsibility and everyone has a role to play in protecting children. We recognise that our school is part of a wider safeguarding system for children and work closely with other agencies to promote the welfare of children. We maintain an attitude of ‘it could happen here’ and will consider the wishes of, and at all times, what is in the best interests of each child.

2.2 The purpose of this policy is to;

- Promote safeguarding and child protection and to demonstrate Stanton Bridge Primary School commitment to keeping children safe;
- Provide all members of staff with the information required to meet their safeguarding duty and protect children from harm;
- Provide stakeholders with clear information relating to Stanton Bridge Primary School safeguarding and child protection procedures;
- Ensure that staff understand, can recognise and can respond to the indicators of abuse;
- Ensure that all staff are aware of their mandatory reporting duty in relation to Section 5B of the Female Genital Mutilation Act 2003; and
- Ensure that children are protected from maltreatment or harm.

2.3 Stanton Bridge Primary School is committed to the following principles;

- All children have the right to be protected from harm.
- Children should feel safe and secure and cannot learn unless they do so.
- All staff are responsible for keeping children safe and have a responsibility to act if they think a child is at risk of harm.
- Working with other agencies is essential to promote safeguarding and protect children from harm.
- Early Help and providing support to families and/or children as soon as a problem emerges is essential to improving outcomes for children and families.

2.4 Safeguarding aims
2.4.1 The safeguarding aims of Stanton Bridge Primary School, in line with Keeping Children Safe in Education (September 2020) are to;

- work to identify children who are suffering or likely to suffer harm or abuse and act to protect them.

• teach children how to keep themselves safe and provide structures for them to raise concerns if they are worried or at risk of harm;

The school operates under all current government guidance relating to Covid-19 and reviews this regularly. For further details, please see our COVID-19 Child Protection and Safeguarding Policy.

2.7 Please note that there are a number of other documents (statutory and non-statutory) that inform our policy and practice. A list of these can be found in Annex A of Keeping Children Safe in Education (September 2020).

2.7.1 This policy should be read in conjunction with the following policies;

2.8 Scope

2.8.1 This policy applies to all teaching, non-teaching, support, supply, peripatetic, contract staff, governors, volunteers and trustees working in or on behalf of Stanton Bridge Primary School. All references in this document to ‘staff’ or ‘members of staff’ should be interpreted as relating to the aforementioned unless otherwise stated.

3.5 Multi-Agency Working

3.5.1 The school is committed to multi-agency working and operates under Working Together to Safeguard Children (2018) and local safeguarding arrangements.

3.5.2 The school will work with social care, the police, health services, local Early Help practitioners and other relevant agencies to promote the welfare of children and protect them from harm.

3.5.3 We work closely with our local Family Hub to ensure children receive appropriate, co-ordinated Early Help from Families for All Hub (Foleshill).

3.5.4 The Coventry Safeguarding Children Partnership (CSCP) have designated that schools and colleges are a named ‘relevant agency’. As such, the school is under a statutory duty to co-operate with published CSCP arrangements.
4 Types of abuse

4.1 As outlined above, all staff will be trained in indicators of abuse and should be able to recognise signs of abuse. We recognise that abuse, neglect and safeguarding issues are complex and can rarely be covered by one label. Abuse can take many forms and can involve directly inflicting harm on a child, or failing to protect a child from harm. The four main types of abuse that staff are trained to recognise are:

- Physical abuse;
- Sexual abuse;
- Emotional abuse;
- Neglect.

4.2 Types of abuse (Taken from Working Together to Safeguard Children, 2018)

<table>
<thead>
<tr>
<th>Type of abuse</th>
<th>Information</th>
</tr>
</thead>
<tbody>
<tr>
<td>Abuse</td>
<td>A form of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting by those known to them or, more rarely, by others. Abuse can take place wholly online, or technology may be used to facilitate offline abuse. Children may be abused by an adult or adults, or another child or children.</td>
</tr>
<tr>
<td>Physical abuse</td>
<td>A form of abuse which may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.</td>
</tr>
<tr>
<td>Emotional abuse</td>
<td>The persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child’s emotional development. It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or ‘making fun’ of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond a child’s developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.</td>
</tr>
<tr>
<td>Sexual abuse</td>
<td>Involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.</td>
</tr>
<tr>
<td>Type of abuse</td>
<td>Information</td>
</tr>
<tr>
<td>--------------</td>
<td>-------------</td>
</tr>
<tr>
<td>Child sexual exploitation (CSE)</td>
<td>The sexual abuse of children by other children is a specific safeguarding issue in education. CSE is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology. Further information about Child Sexual Exploitation can be found in paragraph 28 of Keeping Children Safe in Education 2020.</td>
</tr>
<tr>
<td>Neglect</td>
<td>The persistent failure to meet a child’s basic physical and/or psychological needs, likely to result in the serious impairment of the child’s health or development. Neglect may occur during pregnancy, for example, as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to: provide adequate food, clothing and shelter (including exclusion from home or abandonment); protect a child from physical and emotional harm or danger; ensure adequate supervision (including the use of inadequate care-givers); or ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, a child’s basic emotional needs.</td>
</tr>
</tbody>
</table>

4.3 Indicators of abuse can be found in Appendix B.

4.4 If a child is in immediate danger or at risk of harm, a referral will be made to children’s social care (through the MASH) and any member of staff can make this referral. A Designated or Deputy Designated Safeguarding Lead should be available at all times, but in exceptional circumstances the member of staff should speak to a member of the Senior Leadership Team or seek advice directly from social care and then take appropriate action. The Designated Safeguarding Lead should be made aware as soon as possible.

4.5 Staff, parents and the wider community should report any concerns that they have about the welfare of children, however minor or seemingly insignificant. Staff should not assume that someone else will report concerns.

4.6 The school recognises that any child can be the victim of abuse and may benefit from Early Help. However, the school will be particularly vigilant to potential need for early help if a child:

- is disabled and has specific additional needs;
- has special educational needs (whether or not they have a statutory education, health and care plan);
- is a young carer;
- is showing signs of being drawn in to anti-social or criminal behaviour, including gang involvement and association with organised crime groups;
- is frequently missing/goes missing from care or from home;
- is misusing drugs or alcohol themselves;
- is at risk of modern slavery, trafficking or exploitation;
- is in a family circumstance presenting challenges for the child, such as substance abuse, adult mental health problems or domestic abuse;
- has returned home to their family from care;
- is showing early signs of abuse and/or neglect;
- is at risk of being radicalised or exploited;
• is a privately fostered child. 

4.7 Stanton Bridge Primary School recognises that abuse can take many different forms. Staff will also receive training on the following issues and action will be taken if Stanton Bridge Primary School believes that a child is at risk of or is the victim of:

• physical abuse;
• sexual abuse;
• child sexual exploitation;
• emotional abuse;
• neglect;
• bullying, including cyber- or online-bullying;
• child criminal exploitation (including involvement in county lines);
• domestic abuse;
• fabricated or induced illness;
• faith-based abuse;
• female genital mutilation;
• forced marriage;
• gangs or youth violence;
• gender-based violence;
• hate;
• radicalisation;
• relationship abuse;
• serious violence;
• sexual violence or sexual harassment (including peer on peer abuse);
• sexting;
• So-called ‘honour-based’ abuse;
• trafficking and modern slavery.

4.8 Stanton Bridge Primary School will also take action to protect:

• Children missing in education;
• Children missing from home or care.

4.9 There are other familial issues that can have a detrimental impact on children.

We work with other agencies in line with Keeping Children Safe in Education (2020) to support children and families in the following circumstances:

• Children facing the court procedures and/or children in the court system,
• Children with family members in prison,
• Children who are homeless,
• Children who need a social worker.

4.10 Child potentially at greater risk of harm

4.10.1 The school recognises that some children need a social worker due to abuse, neglect or family circumstances and that abuse and trauma can leave children vulnerable to further harm, as well as educational disadvantage.

4.10.2 The Designated Safeguarding Lead will hold information relating to social workers working with children in the school.

2 Taken from paragraph 18, Keeping Children Safe in Education (September 2020)
4.10.3 This information will inform decisions about safeguarding and promoting welfare (including the provision of pastoral and/or academic support).

4.11 Mental Health

4.11.1 The school recognise that safeguarding and promoting the welfare of children includes preventing the impairment of children's mental health or development.

4.11.2 All staff will be aware that mental health problems may be an indicator that a child is suffering or is at risk of suffering abuse, neglect or exploitation.

4.11.3 Staff will not attempt to make a diagnosis of a mental health problem unless they are appropriately trained.

4.11.4 We recognise that staff are well-placed to observe behaviour that may indicate that a child is experiencing a mental health problem, or is at risk of developing one. There are clear systems and processes in place for identifying possible mental health problems. If staff are concerned that a child is suffering a mental health problem, they should report their concern to either Mr Mohammed or Mr Thuhel. They will then offer appropriate support to the child and if necessary involve outside agencies.

4.11.5 If staff are concerned that a child is experiencing a mental health problem that is also a safeguarding concern, they must report this to the Designated Safeguarding Lead (or deputy Designated Safeguarding Lead) immediately.

4.11.6 We have got 2 members of staff who are first aid trained for Mental Health. One staff member (Miss Quirke) is trained for Pupils mental health and the other staff member (Mr Mohammed) is first aid trained for adults.

4.11.7 Further information, guidance and advice regarding mental health can be found in paragraph 38 of Keeping Children Safe in Education 2020.

4.12 Stanton Bridge Primary School have a duty to refer any children who are living in a private fostering arrangement to the local authority.

4.13 All schools are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 in the exercise of their functions to have "due regard" to the need to prevent people from being drawn into terrorism. See Appendix B for further information on Stanton Bridge Primary School Prevent duty.

4.14 If any member of staff is unsure about signs of abuse or neglect, they should speak to the Designated Safeguarding Lead.

4.15 See Appendix B for further information and guidance on the above issues.

5 Responding to signs of abuse

5.1 If a member of staff, parent or member of the public is concerned about a child's welfare, they should report it to the designated safeguarding lead as soon as possible. On occasions when the designated safeguarding lead is not available, it should be reported to the deputy safeguarding lead without delay. Although any member of staff can make a referral to Children's Social Care, where possible there should be a conversation with the Designated Safeguarding Lead.

5.2 If anyone other than the Designated Safeguarding Lead makes a referral to children's social care or to the police, they should inform the DSL as soon as possible.

5.3 All staff will be alert to indicators of abuse and will report any of the following to the Designated Safeguarding Lead immediately:

- Any concern or suspicion that a child has sustained an injury outside what is reasonably attributable to normal play.

---

Please note that definitions of physical, sexual, emotional abuse and neglect are contained in the main body of the policy. Further information about other safeguarding issues and indicators of abuse can be found in Appendix B.
• Any concerning behaviours exhibited by children that may indicated that they have been harmed or are at risk of harm, including unusual changes in mood or behaviour, concerning use of language and/or concerning drawings or stories.
• Any significant changes in attendance or punctuality;
• Any significant changes in a child’s presentation;
• Any concerns relating to people who may pose a risk of harm to a child; and/or
• Any disclosures of abuse that children have made.

5.3 There will be occasions where a child discloses abuse directly to a member of staff. If this happens, the member of staff will:

• listen carefully to the child and believe what they are saying;
• not promise confidentiality, as information may need to be passed on so the child and family can receive additional support;
• only ask for clarification if something is unclear and will not ask ‘leading’ questions;
• report disclosure to the designated safeguarding lead as soon as possible, certainly by the end of the day;
• only discuss the issue with colleagues that need to know about it; and
• write up the disclosure and pass it to the designated safeguarding lead. It is likely they will have a discussion with the DSL prior to this.

5.4 The designated safeguarding lead will make a decision about the action that needs to be taken following a member of staff raising a concern about a child, or following a direct disclosure. The DSL may:

• Manage support for the child internally;
• Seek advice from the social worker advice line in the MASH;
• Instigate single agency intervention and work directly with the family to improve the situation;
• Offer an Early Help Assessment to provide multi-agency help to a family;
• In cases where children are deemed to be at significant risk of harm, the DSL will refer cases to the MASH for statutory intervention. Parental consent will be obtained wherever possible before referring cases to the MASH. However, if Stanton Bridge Primary School is worried that telling parents will mean the child is at greater risk of harm, we may do this without informing them.
• If parents do not consent to a referral but the school believes that a child is at significant risk of harm, a referral will still be made to children’s social care.

5.5 For further information about the Coventry Safeguarding Children Partnership’s ‘Right Help, Right Time’ guidance, which is used by Stanton Bridge Primary School to make decisions about protecting children, please visit http://www.coventry.gov.uk/righthelprighttime.

5.6 See Figure 5.1 for flowchart of actions that will be taken where there are concerns about a child (taken from Keeping Children Safe in Education, September 2020).

5.7 In cases where members of staff become aware that Female Genital Mutilation (FGM) has been carried out on a female below the age of 18, they have a mandatory duty to report this to the police without delay and will do so. Staff should refer this to the DSL, but the legislation requires regulated health and social care professionals and teachers in England and Wales to make a report to the police where, in the course of their professional duties, they either:

• are informed by a girl under 18 that an act of FGM has been carried out on her; or
• observe physical signs which appear to show that an act of FGM has been carried out on a girl under 18 and they have no reason to believe that the act was necessary for the girl’s physical or mental health or for purposes connected with labour or birth.*

5.8 Stanton Bridge Primary School understands that both adults and other children can perpetrate abuse, and peer on peer abuse is taken very seriously. Peer on peer abuse can include bullying, cyber-bullying, physical abuse,
sexting, sexual violence and/or harassment, upskirting, and initiation/hazing ceremonies. The school recognise that safeguarding issues can manifest as peer on peer abuse.

5.8.1 All members of staff will be made aware of the school’s policy and procedures with regards to peer on peer abuse (child on child abuse). The school will ensure staff understand what is meant by peer on peer abuse and the school policy on peer on peer abuse by training staff during inset day. Majority of staff have also completed an online training on peer on peer abuse (child on child abuse).

5.8.2 The school will work to prevent peer on peer abuse (child on child abuse) by ensuring the behaviour policy is implemented and ensure pupils know the ways of reporting peer on peer abuse. Ensure procedures are put in place for reporting for example ‘Bubble Time’. Ensure pupils are confident to disclose information on peer on peer abuse.

5.8.3 In the event that an allegation of peer on peer abuse (child on child abuse) is made, Stanton Bridge Primary School will investigate this by speaking to the pupils involved. This should be done by the learning mentor or a member of SLT. Pupils who are involved are spoken to clarify exactly what happened. All this information is recorded and taken to the Head Teacher or Behaviour manager. Parents will then be informed of the incidents and appropriate sanctions will be put in place by the head teacher.

5.8.4 In the event that an allegation of peer on peer abuse (child on child abuse) is made, victims and alleged perpetrators will be supported by Mr Thuhel or Mr Mohammed.

5.8.5 Stanton Bridge Primary School will never pass off peer on peer abuse (child on child abuse) as ‘banter’ or ‘part of growing up’.

5.8.6 We recognise the gendered nature of peer on peer abuse (child on child abuse) and that certain groups may be more vulnerable to this type of abuse than others. We take any incidents of peer on peer abuse very seriously.

5.8.7 Stanton Bridge Primary School will adhere to guidance set out in Keeping Children Safe in Education (2020) and Sexual Violence and Sexual Harassment in Schools (May 2018) when responding to incidents of peer on peer abuse (child on child abuse).

5.8.8 All staff will be made aware that ‘upskirting’ is a criminal offence.

5.9 Youth Produced Sexual Imagery (‘sexting’)

5.9.1 ‘Sexting’ refers to any sharing of youth-produced sexual imagery between children. This includes:

- A person under the age of 18 creating and sharing sexual imagery of themselves with a peer under the age of 18;
- A person under the age of 18 sharing sexual imagery created by another person under the age of 18 with a peer under the age of 18 or an adult;
- A person under the age of 18 being in possession of sexual imagery created by another person under the age of 18.

5.9.2 Stanton Bridge Primary School has a responsibility to educate children in the risks relating to ‘sexting’ and how to keep themselves safe online.

Please check our website for the Online Safety Policy.

5.9.3 Any incidents or suspected incidents of ‘sexting’ should be reported to the DSL without delay.

5.9.4 Once reported to the DSL, the DSL will decide on the appropriate course of action. This could include;

- Confiscation of mobile phones in line with guidance ‘Searching, Screening and Confiscation, (January 2018);
- Referrals to the police and/or MASH;
- Sanctions in accordance with behaviour policy;
- Support for young people involved to prevent reoccurrence;

5.9.5 Any incidents of ‘sexting’ involving the following will result in a MASH and/or Police referral;

- Adult involvement;
- Coercion or blackmail;
- Children under the age of 13;
- Extreme, or violent content;
- Immediate risk of harm.

5.9.6 Staff will not view images or videos on pupil devices. Confiscated devices will be stored securely and passed to the relevant agencies.

5.9.7 We will work with parents as necessary if their child is involved in ‘sexting’.

5.9.8 We operate a culture of safeguarding and young people should feel confident to disclose if they have sent an inappropriate image of themselves. Children will always be supported to retrieve and delete the images.

5.9 Serious Violence

5.9.1 All staff will be made aware of indicators, which may signal that children are at risk of, or are involved with serious violent crime.

5.9.2 All staff will be made aware of the risks associated with serious violence, criminal networks and gangs and understand the measures in place to prevent these.

5.9.3 All staff will have an awareness of Child Criminal Exploitation and behaviours linked to Child Criminal Exploitation. Further information about Child Criminal Exploitation can be found in paragraph 28 of Keeping Children Safe in Education (2020).

5.10 Searching, Screening and Confiscation

5.10.1 Where necessary, Searching, Screening and Confiscation will be used to safeguard a child/children in Stanton Bridge Primary School.

5.10.2 Stanton Bridge Primary School adheres to ‘Searching, Screening and Confiscation: Advice for Schools (January 2018).’

5.10.3 Please see Searching, Screening and Confiscation policy in our Behaviour policy for further information.

5.11 Extra-Familial Harm

5.11.1 Stanton Bridge Primary School recognises that safeguarding incidents can be associated with factors outside the school and may take place outside of school. We also recognise that safeguarding incidents or behaviours can occur between children outside of school. We will always consider contextual safeguarding factors when responding to safeguarding incidents.

5.11.2 All staff will be made aware that safeguarding incidents and/or behaviours can be associated with factors outside the Stanton Bridge Primary School and/or can occur between children outside these environments.
To raise concerns about children, members of staff should contact the Multi-Agency Safeguarding Hub (MASH) by telephone to discuss the referral. They should then complete the online Multi-Agency Referral Form (MARF) and submit this to the MASH. The school will follow up referrals if we do not receive feedback from social care.

MASH Telephone number: 024-76 788 555

MASH online referral form: http://www.coventry.gov.uk/safeguardingchildren

Out of hours Emergency Duty Team: 024-76 832 222
Prevent/Channel Referrals: Refer to MASH (mash@coventry.gov.uk) and to CTU GATEWAY@west-midlands.pnn.police.uk

5.12 If a child’s situation does not appear to be improving following a referral, the school may re-refer the child. We will also consider using the Coventry Safeguarding Children Partnership’s Managing Professional Disagreements policy, to ensure that our concerns have been addressed and that the situation improves for the child.

6 Record-keeping

6.1 A written record of all safeguarding and/or child protection concerns, discussions and decisions made will be kept in individual children’s files. They will be kept in a secure locked cupboard or stored onto CPOMs. This will be separate from the main school file and will only be accessed by the relevant safeguarding staff.

6.2 Stanton Bridge Primary School keeps all safeguarding files electronically, using a system called CPOMs.

6.3 Staff will submit all concerns in writing to the DSL at the earliest opportunity. This may be after having a verbal conversation, but conversations will also be followed up in writing.

6.4 In the event that a child moves school, the safeguarding file will be transferred to the new setting securely and separately from the main school file. Once received by the new school, this school will not retain the information.

6.5 The school will seek at least two emergency contacts for every child.

6.6 All data processed by Stanton Bridge Primary School is done so in line with the General Data Protection Guidelines and the Data Protection Act (2018). Please see the following policies for additional information:

Please see link in the Appendix A for link to relevant policies.

6.7 Further information regarding information sharing and data processing in relation to safeguarding can be found in Part Two of Keeping Children Safe in Education (September 2020).

7 Photography and Images

7.1 Consent from parents to photograph children at school events for promotional reasons will be sought when the child joins Stanton Bridge Primary School. Letters go out to parents prior to any events which involves taking pictures and consent is requested.

7.2 Parents can withdraw consent at any time and must notify Stanton Bridge Primary School if they do not wish their child’s photographs to be used.

7.3 Photographs of children used publicly will not be displayed with their name or other personal information.

7.4 Photographs of children will be processed in line with the General Data Protection Regulation.

8 Early Help

8.1 Stanton Bridge Primary School is committed to supporting families as soon as a possible problem arises. It is more effective to support a family through Early Help than reacting to a problem later. Everyone who comes into contact with children and their families and carers has a role to play in safeguarding children. Stanton Bridge Primary School works closely with its neighbouring Family Hub to work with families in the community to improve outcomes for children.

11 Allegations of abuse against staff

11.1 Stanton Bridge Primary School takes all safeguarding concerns and/or allegations against staff seriously and will manage them in line with this policy, Part Four of Keeping Children Safe in Education (September 2020) and the CSCP Guidance, ‘Allegations Against Staff and Volunteers’.

11.2 Allegations or concerns may include:

- Staff having behaved in a way that has harmed a child, or may have harmed a child;
- Staff possibly committing a criminal offence against or related to a child;
- Staff behaving towards a child or children in a way that indicates that he or she may pose a risk of harm to children; or
- Staff behaving or possibly behaving in a way that indicates they may not be suitable to work with children.

11.2 If a concern or allegation of abuse arises against the Headteacher, it must be reported to the Chair of Governors without delay.

11.3 If a concern or allegation of abuse arises against any member of staff, supply teacher or volunteer other than the Headteacher, it must be reported to the Headteacher without delay. This includes supply staff, volunteers and all staff outlined in paragraph 1.5 of this policy.

11.4 Concerns or allegations of abuse against staff must be reported to the Headteacher or Chair of Governors as appropriate and not discussed directly with the person involved.

11.5 The Headteacher or Chair of Governors should consider if the concern or allegation meets the threshold for Designated Officer intervention. The details of the LADO can be found on the front of this policy.

11.6 Concerns relating to a Position of Trust issue will be referred to the Local Authority designated officer within 24 hours.

11.7 If a child has suffered or may have suffered abuse or harm, a MASH referral will also be made.

11.8 In the instances where an allegation is dealt with internally, the Local Authority designated officer will provide information and support to Stanton Bridge Primary School in managing the allegation.

11.9 A referral to the Disclosure and Barring Service will be made if a member of staff is dismissed or removed from their post as a result of safeguarding concerns, or would have been removed if they had not resigned.

11.10 Supply Teachers

11.10.1 Although the school does not directly employ supply teachers, the school will ensure that any concerns or allegations against supply teachers are handled properly.
11.10.2 The school will never cease to use a supply teacher for safeguarding reasons without liaising with the Local Authority Designated Officer and reaching a suitable outcome.

11.10.3 The Local Governing Body of Stanton Bridge Academy will liaise with the supply agency to determine whether to suspend or redeploy the supply teacher whilst they carry out their investigation.

11.10.4 The school will inform supply agencies of its process for managing allegations, including inviting the agency’s human resource manager (or equivalent) to meetings and regularly updating agencies on relevant school policies.

11.9 Whistleblowing

11.9.1 Stanton Bridge Primary School operates a culture of safeguarding and all staff should report any concerns about poor or unsafe practice, or Stanton Bridge Primary School’s safeguarding processes to the senior leadership team.

11.9.2 The senior leadership team will take all concerns seriously.

11.9.3 In the event that a member of staff is unable to raise an issue with senior leadership in school, they should refer to Part I of Keeping Children Safe in Education for additional guidance on whistleblowing procedures.

12 Promoting safeguarding and welfare in the curriculum

12.1 Stanton Bridge Primary School recognises the importance of teaching children how to stay safe and look after their mental health and are committed to equipping children with the skills and knowledge to have successful and happy lives.

12.2 The school will teach children about safeguarding, including online safety. As part of a broad and balanced curriculum, the school will cover relevant issues in line with government guidance on Relationships Education, Relationships and Sex Education and Health Education.

12.4 Education at home

During COVID-19 Stanton Bridge Primary School have been using alternative methods to educate children at home. This has been through Showbie. We will continue to operate under this policy while pupils are learning from home. For more details please refer to COVID-19 Safeguarding and Child Protection Policy. This is available on our website.

Links to relevant policies are in Appendix A.

13 Children Looked After

13.1 The most common reason for children to be looked-after is because they have experienced abuse and/or neglect. Stanton Bridge Primary School recognises that children looked after may have additional vulnerabilities. The Designated Lead for Looked-After and Previously Looked-After Children is Mr Thuhel.

13.2 Staff will receive training on how to best safeguard children who are Looked-After and Previously Looked-After.
13.3 The school will work with Personal Advisors when children leave care (where applicable).

13.4 Stanton Bridge Primary School is committed to working with other agencies to ensure the best outcomes for Looked-After and Previously Looked-After children.

14 Children with Special Educational Needs

14.1 As outlined in Keeping Children Safe in Education (2020), Stanton Bridge Primary School is aware that children with additional needs or disabilities may be more vulnerable to abuse and additional barriers may exist when recognising abuse and neglect. This could be because of:

- assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child’s disability without further exploration;
- such children being more prone to peer group isolation than other children,
- the potential for children with SEN and disabilities being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs; and
- communication barriers and difficulties in overcoming these barriers.

14.2 Staff will be trained in recognising signs of abuse in children with SEN and disabilities.

14.3 Staff will take into account the needs of a child when responding to concerns of abuse or when taking a disclosure. We recognise that some children require specialist intervention to communicate and advice from the SENCO will be sought in these circumstances.

14.4 Safeguarding learning opportunities within the curriculum will be appropriately differentiated to ensure all children can access it.

15 Use of reasonable force

15.1 There may be occasions when staff are required to use reasonable force to safeguard children. We will not use any more force than is necessary.

Managers have previously completed the Team Teach training; however we have not had to restrain pupils for some years now. If a situation arises, and restraining is deemed necessary to safeguard the pupil or others that may be harmed then the incident would be recorded and SLT/Head teacher will be informed. We have successfully been using the de-escalated strategy and have been able to calm pupils down. Sometimes giving them some space or a safe zone for them to calm down would be appropriate.

16 Work Experience

Dealing with concerns regarding work experience staff or volunteers

To reduce the risk of inappropriate or unprofessional behaviour towards children, all staff, volunteers and work experience candidates must be aware of safer working practice and must be familiar with the Government document ‘Guidance for Safer Working Practice for Adults who work with Children and Young People in Education Settings’.

A concern, sometimes referred to as an allegation, is any information which indicates that a member of staff/volunteer may have failed to meet the requirements set out in the staff behaviour (code of conduct) policy, or may have:

- Behaved in a way that has harmed a child, or may have harmed a child;
- Possibly committed a criminal offence against or related to a child;
- Behaved towards a child or children in a way that indicates he or she would pose a risk of harm if they work regularly or closely with children.

---

5 Keeping Children Safe in Education, September 2020
This applies to any child whom the member of staff/volunteer/work experience has contact in their personal, professional or community life. The procedure for reporting a concern for a work experience staff or volunteers will be the same as a teaching staff. See point 11 Allegation of abuse against staff.

17 Summary

**Types of Abuse**

As outlined in paragraph 4.4, the school will take action if we believe a child is at risk of or is suffering from abuse. Abuse is not limited to physical, emotional, sexual abuse and neglect. For further information on the definitions of the types of abuse below, please refer to Keeping Children Safe in Education (2020), Annex A.

See below for policy information relating to other key safeguarding issues. All decisions taken in responding to concerns of abuse will be taken in the best interests of the child.

**Bullying, including cyber- or online-bullying**

The school takes all forms of bullying seriously and will respond sensitively and quickly to any reported bullying. Children should report any bullying to their form tutor, to the DSL or to any trusted member of staff and we will work to resolve it.
We also teach children about the dangers of bullying through our curriculum. See link to curriculum here: http://www.stantonbridge.coventry.sch.uk/national-curriculum

Bullying can take many forms and we have several policies that cover different aspects of bullying. Please see the Anti-Bullying Policy, the Behaviour Policy and paragraph 5.8 of this policy for further information.

Criminal exploitation (including involvement in county lines)

The School takes CSE and any form of criminal exploitation very seriously and will respond by informing the appropriate services. Staff are fully aware of procedures if they feel a child is being exploited in any way. Staff will follow their normal safeguarding procedures and inform the DSL as soon as possible.

Domestic abuse —

Stanton Bridge Primary School’s DSL has been to the Operation Encompass training and is fully aware of the procedure. Stanton Bridge Primary school support domestic violence victims and offer any help through services or Early Help.

Fabricated or induced illness

Fabricated or induced illness is a rare form of child abuse. Staff are aware of the procedure of reporting fabricated illnesses. They report any concerns to the DSL. Parents will be offered any support or help if they require it.

Faith-based abuse

Certain kinds of child abuse are linked to faith or belief. This includes belief in concepts of witchcraft and spirit possession, demons or the devil acting through children or leading them astray (traditionally seen in some Christian beliefs), the evil eye or djuns (traditionally known in some Islamic faith contexts) and dakini (in the Hindu context). Faith abuse includes all forms of child abuse including murder. Stanton Bridge Primary School takes this form of abuse seriously and staff will follow school’s normal safeguarding procedures if they need to report any concerns. The first point of contact will be the DSL.

Female genital mutilation

Female Genital Mutilation (FGM) comprises all procedures involving partial or total removal of the external female genitalia or other injury to the female genital organs. It is illegal in the UK and a form of child abuse with long-lasting harmful consequences.

Professionals in all agencies, and individuals and groups in relevant communities, need to be alert to the possibility of a girl being at risk of FGM, or already having suffered FGM. Some staff have had specific FGM training previously and support staff will be completing online FGM training.

Indicators

There is a range of potential indicators that a girl may be at risk of FGM. Warning signs that FGM may be about to take place, or may have already taken place, can be found on pages 16-17 of the Multi-Agency Practice Guidelines, and Chapter 9 of those Guidelines (pp.4-2.44) focuses on the role of schools and colleges.

Section 5C of the Female Genital Mutilation Act 2003 (as inserted by section 75 of the Serious Crime Act 2015) gives the Government powers to issue statutory guidance on FGM to relevant persons. Once the government issues any statutory multi-agency guidance this will apply to schools and colleges.

Actions

If staff have a concern they should activate local safeguarding procedures, using existing national and local protocols for multi-agency liaison with police and children’s social care. When mandatory reporting commences in October 2015 these procedures will remain when dealing with concerns regarding the potential for FGM to take place. Where a teacher discovers that an act of FGM appears to have been carried out on a girl who is aged under 18, there will be a statutory duty upon that individual to report it to the police.
Mandatory Reporting Duty

Section 5B of the Female Genital Mutilation Act 2003 (as inserted by section 74 of the Serious Crime Act 2015) will place a statutory duty upon teachers, along with social workers and healthcare professionals, to report to the police where they discover (either through disclosure by the victim or visual evidence) that FGM appears to have been carried out on a girl under 18. Those failing to report such cases will face disciplinary sanctions. It will be rare for teachers to see visual evidence, and they should not be examining pupils, but the same definition of what is meant by “to discover that an act of FGM appears to have been carried out” is used for all professionals to whom this mandatory reporting duty applies.

The Mandatory reporting duty will commence in October 2015. Once introduced, teachers must report to the police cases where they discover that an act of FGM appears to have been carried out. Unless the teacher has a good reason not to, they should still consider and discuss any such case with the school’s designated safeguarding lead and involve children’s social care as appropriate.

Forced Marriage

Guidance on dealing with concerns regarding forced marriage is contained in the Multi Agency Practice Guidelines ‘Handling Cases of Forced Marriage’

A ‘forced’ marriage is distinct from a consensual ‘arranged’ marriage because it is without the valid consent of both parties and where duress is a factor. A child who is forced into marriage is at risk of significant harm through physical, sexual and emotional abuse. Information about a forced marriage may come from the child themselves, of the child’s peer group, a relative or member of the child’s local community or from another professional. Forced marriage may also become apparent when other family issues are addressed, e.g. domestic violence, self harm, child abuse or neglect, family/young person conflict, a child absent from school or a missing child/runaway. Forced marriage may involve the child being taken out of the country for the ceremony, is likely to involve non-consensual/underage sex and refusal to go through with a forced marriage has sometimes been linked to ‘honour killing’.

Honour based violence is an ancient cultural tradition that encourages violence towards family members who are considered to have dishonoured their family. It is rooted in domestic violence and is often a conspiracy of family members and associates meaning victims are at risk from their parents and families. School staff should respond to suspicions of a forced marriage or honour based violence by informing the DSL as soon as possible. School staff should not treat any allegations of forced marriage or honour based violence as a domestic issue and send the child back to the family home. It is not unusual for families to deny that forced marriage is intended, and once aware of professional concern, they may move the child and bring forward both travel arrangements and the marriage. For this reason, staff should not approach the family or family friends, or attempt to mediate between the child and family, as this will alert them to agency involvement.

(‘So-called’) ‘Honour-based’ violence

Honour based violence is a violent crime or incident which may have been committed to protect or defend the honour of the family or community. It is often linked to family or community members who believe someone has brought shame to their family or community by doing something that is not in keeping with their unwritten rule of conduct. For example, honour based violence might be committed against people who:

- become involved with a boyfriend or girlfriend from a different culture or religion
- want to get out of an arranged marriage
- want to get out of a forced marriage
- wear clothes or take part in activities that might not be considered traditional
- within a particular culture convert to a different faith from that of the family
Women and girls are the most common victims of honour based violence however it can also affect men and boys. Crimes of ‘honour’ do not always include violence. Crimes committed in the name of ‘honour’ might include:

- domestic abuse
- threats of violence
- sexual or psychological abuse
- forced marriage
- being held against your will or taken somewhere you don’t want to go
- assault

If staff believe that a pupil is at risk from honour based violence the DSL will follow the usual safeguarding referral process, however, if it is clear that a crime has been committed or the pupil is at immediate risk the police will be contacted in the first place. It is important that if honour-based violence is known or suspected that communities and family members are NOT spoken to prior to referral to the police or social care as this could increase risk to the child.

Gangs or youth violence

Stanton Bridge Primary School is aware of gangs or youth violence and staff are aware to monitor and report any concerns that may be linked to gang or youth violence. Staff must report it to the DSL or any SLT member immediately. The school takes gangs violence very seriously and any concerns or criminal activity will be reported to the police and other appropriate services. We also attend the Primary Police Partnership to tackle gang violence and knife crime. The police are using the inter-agency approach to tackle the issues taking place in the city.

Gender-based violence

Stanton Bridge Primary school takes all forms of gender-based violence seriously and will respond sensitively and quickly to any reported violence. Children should report any violence or attacks to their teacher, to the DSL or to any trusted member of staff and we will work to resolve it.

We also teach children about the dangers of any form of violence through our curriculum. Stanton Bridge Primary School does not tolerate any form and violence, aggression or attack.

Gender-based violence can take many forms and we have policies that cover different aspects of violence. Please see the Behaviour Policy and paragraph 5.8 of this policy for further information.

Hate

At Stanton Bridge Primary School we encourage respect, harmony and kindness. Pupils are encouraged to talk and play in a respectful manner. Hate could be a form of bullying and we take this very seriously. Staff need to report any form of bullying or hate to any SLT member who will then deal with the incident. Parents or carers who have concerns can also report their concerns to any SLT member who will then deal with the matter.

Homelessness

Stanton Bridge Primary School can support parents or carers who are subjected to homelessness. The first point of contact for any parents or carers will be Coventry City Council Homeless team or contact Citizen Advice. School will then offer Early Help if parents or carers accept it or if they meet the criteria.

Radicalisation and Extremism
Stanton Bridge Primary School takes extremism very seriously, staff and governors have had the WRAP (Workshop to Raise Awareness of Prevent) training.

From 1 July 2015 specified authorities, including all schools as defined in the summary of this guidance, are subject to a duty under section 26 of the Counter-Terrorism and Security Act 2015 (“the CTSA 2015”), in the exercise of their functions, to have “due regard to the need to prevent people from being drawn into terrorism”.

This duty is known as the Prevent duty. It applies to a wide range of public-facing bodies. Bodies to which the duty applies must have regard to statutory guidance issued under section 29 of the CTSA 2015 (“the Prevent guidance”). Paragraphs 57-76 of the Prevent guidance are concerned specifically with schools (but also cover childcare). It is anticipated that the duty will come into force for sixth form colleges and FE colleges early in the autumn of 2019. The statutory Prevent guidance summarises the requirements on schools in terms of four general themes: risk assessment, working in partnership, staff training and IT policies.

Schools are expected to assess the risk of children being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology. This means being able to demonstrate both a general understanding of the risks affecting children and young people in the area and a specific understanding of how to identify individual children who may be at risk of radicalisation and what to do to support them. Stanton Bridge Primary School has clear procedures in place for protecting children at risk of radicalisation.

Stanton Bridge Primary School will ensure that children are safe from terrorist and extremist material when accessing the internet in schools. Schools should ensure that suitable filtering is in place. It is also important that schools teach pupils about online safety more generally. Any concerns will be referred to the Channel.

Relationship Abuse

The school takes all forms of relationship abuse seriously and will respond sensitively and quickly to any reported abuse. Children should report any abuse to their class teacher, to the DSL or to any trusted member of staff and we will work to resolve it.

We also teach children the importance of relationships through our curriculum. Pupils will be taught through PHSE and SRE lessons. Relationship Abuse can take many forms and we have several policies that cover different aspects of abuse.

Sexual violence or sexual harassment (including peer-on-peer abuse)

Stanton Bridge Primary will not tolerate any form of sexual violence or sexual harassment. To report any concerns, the school will follow normal safeguarding procedures and staff need to report to the DSL. Children are encouraged to report any incidents to their teachers, DSL or any other trusted school member. We teach children at Stanton Bridge Primary School to be kind to each other and this is taught through PHSE or SRE lessons as well as being part of the school’s ethos.

Sexting

- The DSL should hold an initial review meeting with appropriate academy staff.
- There should be subsequent interviews with the young people involved (if appropriate).
- Parents should be informed at an early stage and involved in the process unless there is good reason to believe that involving parents would put the young person at risk of harm.

At any point in the process if there is a concern a young person has been harmed or is at risk of harm a referral should be made to children’s social care and/or the police immediately.
• An immediate referral to police and/or children’s social care should be made if at this initial stage:
  • The incident involves an adult
  • There is reason to believe that a young person has been coerced, blackmailed or
  • groomed, or if there are concerns about their capacity to consent (for example special educational
    needs) What you know about the imagery suggests the content depicts sexual acts
  • which are unusual for the young person’s developmental stage or are violent.
  • The imagery involves sexual acts and any student in the imagery is under 13.
  • You have reason to believe a student or student is at immediate risk of self-harm
  • to the sharing of the image

**Trafficking and modern slavery**

The school takes all forms of trafficking and modern slavery seriously and will respond sensitively and quickly to any reported trafficking. Children should report any abuse to their class teacher, to the DSL or to any trusted member of staff and we will work to resolve it.

We also teach children the importance of relationships through our curriculum. Pupils will be taught through PHSE and SRE lessons. Trafficking and modern slavery can take many forms and we have several policies that cover different aspects of abuse.
Children missing from education, home or care

The school will also take action to protect:

- Children missing in education
- Children missing from home or care

Children Missing Education

Stanton Bridge follows the policy and procedures set in the guidance below. As we are a transient school, we refer CME pupils to the Local Authority before the set days recommended by the local authority.

You can find statutory guidance on the link below.

Private Fostering

The school have a duty to refer any children who are living in a private fostering arrangement to the local authority.

We will do this through a MASH referral. It is important that parents/carers inform us if a child is going to be staying at an alternative address to that of their primary care-givers for more than 28 days.

Indicators of abuse

See below for possible indicators of abuse. (Taken from What to do if you are worried a child is being abused, 2015)

- Children whose behaviour changes – they may become aggressive, challenging, disruptive, withdrawn or clingy, or they might have difficulty sleeping or start wetting the bed;
- Children with clothes which are ill-fitting and/or dirty;
- Children with consistently poor hygiene;
- Children who make strong efforts to avoid specific family members or friends, without an obvious reason;
- Children who don’t want to change clothes in front of others or participate in physical activities;
- Children who are having problems at school, for example, a sudden lack of concentration and learning or they appear to be tired and hungry;
- Children who talk about being left home alone, with inappropriate carers or with strangers;
- Children who reach developmental milestones, such as learning to speak or walk, late, with no medical reason;
- Children who are regularly missing from school or education;
- Children who are reluctant to go home after school;
- Children with poor school attendance and punctuality, or who are consistently late being picked up;
- Parents who are dismissive and non-responsive to practitioners’ concerns;
- Parents who collect their children from school when drunk, or under the influence of drugs;
• Children who drink alcohol regularly from an early age;
• Children who are concerned for younger siblings without explaining why;

The school recognises that the above list of indicators is not exhaustive and staff will receive training on indicators of abuse.
