16<sup>th</sup> March 2020

Dear Parents and Carers,

We recognise that the COVID19 guidance for returning travellers is changing very quickly and so in order to ensure we are able to follow government guidance, we need to be aware of any children or close family members who have recently returned from holiday. This is especially important if they were in or have travelled through any high risk/quarantined countries.

Please inform us of anyone in your immediate family who has travelled to or through any of the following countries by completing and returning the tear off below.

- |            |              |
|------------|--------------|
| -Italy     | -China       |
| -Hong Kong | -Macao       |
| -Cambodia  | -Iran        |
| -Japan     | -Laos        |
| -Malaysia  | -Myanmar     |
| -Singapore | -South Korea |
| -Taiwan    | -Thailand    |
| -Vietnam   | - Spain      |

It is also of high importance for parents and carers to follow the medical guidance relating to pupils or family members showing symptoms of COVID19. Any adults or children who show signs of a new, persistent dry cough or a temperature of 37.8 °C, should immediately self-isolate for 7 days, seeking advice from Ill where necessary. Please note that any pupils showing signs of these symptoms will be sent home.

Yours sincerely

Sofina Islam OBE  
 Headteacher
