Meeting to share information regarding opening school in September 2020.

Dear Parent/Carers,

I hope that you and your children have kept safe and well during this very difficult time. The Government are now happy for all schools, in September, to open their doors to their pupils.

With this in mind, I would like to share with you our plans on how we will work with you to ensure that school is the safest and best place for your child to continue both their social and academic well-being. We want to share how we have set up the school premises, the classroom learning environment and all the arrangements for dropping off and picking up your child safely.

We want to address any worries or anxieties you may have and hopefully put you at ease. Simply put, we want all our pupils back into school in front of their teachers, learning.

With the above in mind, I would like to invite families to come and join me in school, under social distancing arrangements, so that I can tell you about our school opening plan in readiness for September 2020.

These are the dates of the meetings:

- Friday 17th July:
- Yr 5 parents at 9:00am
 - Yr 4 parents at 10:30am
 - Yr 3 parents at 12:00 noon
 - Yr 2 parents at 1:30pm
 - Yr 1 parents at 3:00pm.
 - Reception & Nursery parents: 4:30pm

Please do attend so we can physically show you the drop off and pick up arrangements including forms of communication and dinner money arrangements. If you have more than one child in school you need to only attend one of the meetings.

My team and I look forward to meeting you.

Yours sincerely

Sofina Islam OBE
