Dear Parents/Carers,

## Re: Coronavirus update – school closure to most pupils

I am writing to let you know that we have now been instructed by the Government to close the school to almost all children at the end of the day on **Friday 20<sup>th</sup> March** until further notice.

We will do all we can to stay open for the children of parents who are key workers:

- NHS staff and care workers
- Police and Emergency Services
- Other frontline services

We are waiting for the government to publish more information on what this means, but please contact us by the end of the day tomorrow if you think your job falls into one of these categories and we will get back to you as soon as possible to confirm arrangements.

Email: [admin@stantonbridge.coventry.sch.uk](mailto:admin@stantonbridge.coventry.sch.uk)

Telephone: 02476688992

Please provide the following details:

Child's name / Class / Category your work falls into

**All other children will need to stay at home from Monday until further notice.**

Please note that this is a national closure – as you may have heard in the news – so while it is a challenging situation, we are not alone. We'll re-open fully as soon as we can and will let you know when this is by putting an announcement on the school website so please monitor this.

Earlier this week we gave all children home learning packs. We expect these activities to be completed at home.

Thank you again for your continued support, and we will be in touch with more information when we can.

Yours sincerely  
Sofina Islam OBE
