

# Nursery Newsletter

This term has got off to a busy start. We have been busy settling in all our new nursery children and getting to know our enthusiastic young arrivals.

## Personal, Social and Emotional Development

This term the children have learnt about each other through our "All About Me" topic. Through this topic the children explored what made them special. They have painted amazing self-portraits. They also decorated their face biscuits.

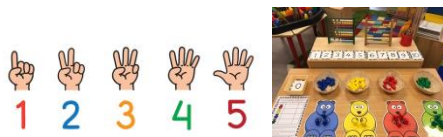

## Literacy

The children have also enjoyed reading amazing story books: The Rainbow fish and Goldilocks and the Three Bears. The children have enjoyed listening to and retelling stories using props. Please share story books with your child on a regular basis.

## Maths

In Maths the children are learning to recite number 1-10, and counting objects in meaningful contexts. Also, the children have been learning to sort objects according to their colour and size.

## Understanding the World

This term we have been cooking with the children. The children enjoyed preparing ingredients for and tasting porridge.

Thank you very much for your support.
