## From the Head Teacher

Dear Parents/Carers,

The end of this academic year is fast approaching, we've had a fantastic year!

Pupils took part in Sports Day, we loved watching the races—thank you to all of the parents who came along. Unfortunately, Years 5 and 6 had to be postponed due to the rain.

Our Year 6's took part in Transition days where they visited their secondary schools in preparation for September—we can't believe they have just 1 week left of Primary School!

It's been an exciting week for Year 1 who went on a visit to Twycross zoo and Year 5 who went on an outdoor adventure residential for 3 days and 2 nights with Mrs Good and Mr Nuur. They had a fantastic time climbing, abseiling and many more activities that helped to develop their teamwork and personal development—they managed to maintain a growth mindset attitude... even when they were nervous and scared!! Next week, Year 2 will be visiting Cadbury's world and Year 6 will be enjoying their last day at Stanton Bridge at Drayton Manor.

Year 5 experienced Careers Day this week, they met professionals from a range of careers including a doctor, engineers and chef's. They found the whole experience enlightening and learnt a lot about the different career paths they might follow after leaving school. We hope that they have been inspired to consider the life choices available to them.

Parents Evening is being held in school next week on Tuesday 18th—(Nursery am, Yr Reception, 1, 2 &3) and Wednesday 19th of July (Yr4, 5 &6). Please book a time slot with your child's class teacher.

At Stanton Bridge, we work from a place of care. In so doing, we aim to ensure that every pupil is given the greatest opportunity to be able to fulfill their potential, and so, we are offering booster sessions throughout the summer holidays. These will be run by school staff. Parents of those invited will be contacted before the end of next week. I would personally like to thank the staff members who are giving up their holiday time to help pupils continue to make progress and catch up on their reading age so that they can experience and grow their knowledge and skills across the wider curriculum subjects.

Next week, we will be celebrating those pupils who have shown excellent learning attitudes during the Summer term as well as those who have been 'Good to be Green' all academic year. We will also be celebrating those pupils who have had 100% attendance throughout the year.

Our next Reading Awards assembly will be next week—look out for your invites!

We will be hosting a range of mental health workshop's in the new academic year. The aim of these sessions are not only to support pupils, parents and families but to help teach and spread the word about mental health and how we can benefit from some of the strategies and techniques used. If you feel you may benefit from these, please contact Mrs Mohammed.

*Mrs. Sofina Islam OBE,  
Headteacher*
