## From the Head Teacher

Dear Parents/ Carers,

All pupils across the school took part in activities for British Science week last week. They had great fun in Lego workshops completing STEM activities based on the theme 'Connections'. It was fantastic to see pupils applying and using their scientific and mathematical knowledge, skills and vocabulary to a range of exciting challenges.

We are really pleased that a significant number of pupils across the school are now reading at home every night—keep up the hard work!! We will be holding further meetings with parents to discuss the importance of reading at home and the impact it has on pupils reading. Simply sitting down and reading for 15 minutes every night will support pupils in developing essential life skills—being a fluent reader really will open up a whole world of opportunities.

There will be a meeting for all year 2 parents on Wednesday 29th March at 3pm. The meeting will discuss the upcoming SATs and pupil's learning progress—a text message has been sent out with details. This is an essential meeting for all parents, please contact the front office if you are not able to attend.

Next week, pupils will be learning all about Easter including the Easter story and all of the traditions associated with the celebration. We can't wait to see what creative Easter celebration bonnets and models pupils make—the deadline is **Thursday 30th March**.

With the start of fasting announced this week, please remember that pupils in years 5 and 6 must have a signed note from home if they too are observing fasting during school hours. We wish all of our families observing fasting during this period 'Ramadan Mubarak'.

Mrs. Sofina Islam OBE,  
Headteacher

## Attendance Race

The results are in for Spring Term 2 Week 5 and the winners are...

- 1st place: Year 1 Miss Newman's class
- 2nd place: Year 5 Mrs Good's class
- 3rd place: Year 4 Miss Johal's class

Well done to you all !!! Only One week left!

Who will win the race for Spring Term 2? Will it be a class who gets a perfect 100% attendance?

Remember, it's up to each one of you to come to school every day to ensure your class scores the highest number of points possible to win the race. It is also important NOT TO BE LATE!

## From the Office

**Contact Information** - It is your responsibility as a parent to ensure the school office are notified of any change in contact details, such as address, telephone number or email address. This is to enable us to get in touch with you in an emergency but also to ensure you are receiving communication from school through all these platforms.

**Dinner money**—This needs to be paid daily or weekly. If you have an outstanding balance, your child must bring in a packed lunch until this balance has been cleared.

**Lateness**—School starts at 8:30am and your child must be present on the school playground ready to be taken to class by their teacher.

**Attendance**— It is your legal responsibility to ensure that your child attends school everyday. If for any reason your child can not attend school, you must inform the school office.

It is an expectation that as a parent of a pupil of Stanton Bridge, you will fully engage with the schools policies and procedures in supporting your child's education. All communication should be respectful and socially acceptable.
