From the Head Teacher

Dates for your diary

Dear Parents/ Carers,

This week we welcomed parents to our Year 4 parents meeting to discuss the upcoming National Multiplication test. Pupils are working really hard learning their multiplication facts—parent's keep encouraging your child and allow them time to go onto TTRS to practice. Keep up the hard work Year 4!

Year 5 and 6 parents were also invited to an online safety workshop this week where we discussed the importance of supervision whilst children are online. Pupils also took part in discussions about the dangers of social media, what can happen if we share personal details and images online and what to do if they are worried about anything concerning online safety.

If any of our parents need help to check what sites their children are using or set privacy and control settings for any of the devices in their homes, please contact the front office—we will be happy to help.

We wish you a very happy half term and look forward to seeing everyone back for the second half of the Spring Term.

Mrs. Sofina Islam OBE,
Headteacher
