From the Head Teacher

Dear Parents/Carers,

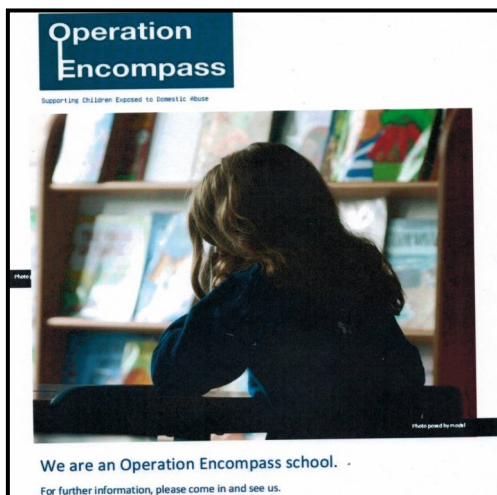

We are so pleased that many of you have been able to attend our workshops being held in school - these are a great way for you to keep up to date with what is happening in school and learn more about how to help your children. There are more workshops planned throughout the academic year, text messages and emails will be sent out to inform you of the times and dates.

Next week we will be holding our first parents evening of the year, information has been sent out to all parents so please make sure you respond and book a time slot with your child(ren)'s teacher. Our meetings will continue to be held using zoom, if you are unsure of how to use this please see the video on the link below. The login and password details will be provided by the class teacher.

We very much look forward to discussing how your children have settled into the new term and what goals we will be setting for them over this academic year!
