From the Head Teacher

Dear Parents/Carers,
The two-way system from the back gate is working well due to everyone being considerate and following the COVID rules. Thank you! Let's hope this continues.

As the month of Ramadan slowly comes to an end, I am sure that all those families who are observing fast are deservedly looking forward to Eid celebrations. Please do send your children to school in the morning. We'll celebrate with all our children and then for those who are celebrating Eid, if you wish to take your child home after the morning party, you can pick them up any time from 1pm.

Mrs. Sofina Islam OBE,
Headteacher & NLE

Star School

This week we have been thrilled to be chosen as **BBC Radio Coventry and Warwickshire's Star School!**

On Wednesday, we were joined by a live reporter and some very excited but nervous children were interviewed live on air. They were asked what they would change if they were in charge of the country and gave us some very interesting answers.

On Friday (7th May) the radio station will be airing our **School News**.

Well done to Kaysan (Year 6) and Mehvish (Year 5), our budding radio presenters, for speaking so confidently and fluently into the microphone.

If you would like to listen back, please go to https://www.bbc.co.uk/sounds/play/live:bbc_radio_coventry_warwickshire

Student Council

We have had a very exciting few weeks in school, the swimming pool was a huge success and we have loved it! We learnt so much and are all very proud of how much progress we made in such a short time. We are hoping that this will become something we take part in every year so that we can develop as strong, safe swimmers by the time we leave Stanton Bridge.

A few weeks ago, some of our year 5 councillors wrote a compelling letter to Mrs Islam asking if we could see the return of our favourite school dinner meal...pizza! After some thought provoking communication, a survey was carried out and the results presented to Mrs Islam. We are very pleased to announce that pizza returned to our lunches on Friday!

It is a very important role as a councillor to be confident and express our opinions! Thank you Mrs Islam!

Attendance Race

Well done to year 2 Miss Emin's class for achieving 100% attendance in week 2 of this terms race.

This means we have 3 classes neck and neck in the lead they are Mr Caldwell's class, Miss Silva's class and this week they have been caught up by Miss Emin's Class.

Will they be in the lead next week or will a class overtake them? Children it's up to you, come to school every day to ensure your class too can achieve 100% attendance.

Allotment Project

As part of our Science topic, Year 2 are currently redesigning and updating our school allotment with beautiful flowers and delicious vegetables. We are so grateful to the generous members of our school community who have made kind donations to make this possible. If you would like to support us by donating money, seeds or plants, please contact the school office.
