From the Head Teacher

Dear Parents/Carers,

Thank you to all parents who have supported both pupils and the school by purchasing books from the book fair. Congratulations to all of those who have won prizes!

We are looking forward to celebrating the Olympics next week - get your outfits ready!

Following the Government announcement extending the Covid 19 restrictions to 19th July 2021 our current arrangements will remain in place.

I would like to thank you all for your continued patience and support with the schools risk assessment. This has enabled everyone to be as safe as possible in these difficult times.

**Mrs. Sofina Islam OBE,
Headteacher & NLE**

Summer Fair

Our Parent Councillors are organising a Summer Fair to be held during the Summer Holidays.

If you would like to volunteer and support the Parent Councillors in running the event, then please register your interest with Mr T.

We are asking our parents and community to donate prizes which we can add to a raffle. We will accept any new items or any money donations which will go towards prizes.

If you would like to book a table so you can sell your products, such as arts and crafts, cosmetics, clothing and food, then I would advise you to book this in as soon as possible. For more information please contact Mr T.

Mental Health & Well-being

We are arranging a mental health and well-being workshop for our parents.

The session will be on **Thursday 8th July at 1.30-2.30pm.**

This will be delivered by an external specialist teacher who supports our pupils with their well-being and learning. This will take place virtually, through Microsoft Teams. We will send out letters and information closer to the date. The Microsoft Teams link will be emailed to all parents, so please ensure you have given your up-to-date email address to the front office.

Holiday Club

We are arranging holiday clubs to be delivered the first 3 weeks of the Summer Holidays. The holiday clubs have become extremely popular and they have been fully subscribed on previous occasions.

We will be running a range of fun activities including developing basic skills in Maths and English.

If you would like to book a space for your child/children in advance, please let Mr T know. More details including dates and timings of the Summer Holiday Clubs will be given out in a few weeks.

Attendance Race

It is week 1 of the new race and we are off to a brilliant start! Six classes have leapt into the lead, the rest of the school are hot on their heels being just one point behind. Will any class score 100% and charge into first place?

Children it's up to you, come to school every day, on time, to ensure your class achieves 100% attendance!
