From the Head Teacher

Dear Parents/Carers,

Last Friday was so much fun! We all dressed up as our favourite storybook characters. It was a real success and children shared their favourite books and stories with the rest of their class during the day. Check out our twitter feed for images from the day.

Reading is a very important skill, so please speak to your children get them to share stories with you and talk about the characters and the plot.

Encourage your children to read other texts such as cookery recipes, instructions of how to play games, comics, poetry and appropriate news items. The activities you can participate in at home widen the children's experiences in reading and provide them with real life application of their skills.

Take time out this weekend for a good read and have fun doing it!!

Mrs. Sofina Islam OBE,
Headteacher & NLE

National Storytelling Week

Children have celebrated National Storytelling Week by reading and sharing their favourite stories. We all dressed up as our favourite characters and shared why we chose them. Children wrote extracts sharing 'a day in the life of their characters' which was so exciting. We all had so much fun!

Attendance Race

The results for Spring Term week 5

In the lead is Miss Walford's class. Year 5 Miss Akthar's class is just holding on to second place with Miss Baja's class in close third place. All three classes are battling it out.

Who will take the lead? Will classes score a perfect 100%?

Remember it is up to each of you to come to school everyday to ensure your class scores the highest point possible to win the race. It is also important NOT TO BE LATE!

NYO Open Up

Dear musicians,

NYO Inspire's flagship project is coming to Coventry from the Saturday 19th - Sunday 27th February and we would love to meet YOU!

NYO Inspire is an inclusion and access programme which provides free opportunities to teenage musicians to develop their orchestral playing. Our objective is to offer more dedicated teenage musicians the chance to have a breakthrough experience through NYO Inspire, both as musicians and audience members. Within this we have a special focus on supporting and empowering musicians underrepresented in NYO and the professional orchestra sector.

As part of this, NYO are keen to meet more musicians and our goal is to offer a variety of **FREE** fun and creative opportunities for musicians in the regions where NYO and NYO Inspire activities are taking place.

Each activity will include a series of creative workshops that enable musicians to come together to make music while exploring creativity, ensembles skills and more! Musicians will have a chance to share the music they have created as part of our NYO Inspire Ensemble Sharing performance the end of the day.

Everyone is welcome to the Sharing performances, which will be ticketed at £1. Full details of how you can purchase these will be shared with you very soon.

Each musician is able to sign up to one of the below activities on a first come first serve basis. Please note you must be age 11 or above (KS3) to participate in this activity.

We will send you further information closer to the time via email, but if you have any questions in the meantime, please contact the NYO Inspire team at inspire@nyo.org.uk.
