From the Head Teacher

Dear Parents/Carers,

Firstly, please can I thank all the families who came out to meet with myself and my team prior to May half term which was held on 24th May 2022. Can I also thank those parents who then came to one of the meetings held around times that suited you this week.

Your support and partnership in helping the pupils at Stanton Bridge to be the best they can be in all aspects of their learning is vital and much appreciated by the staff and I. As you know, the meeting was to consult on the length of the school day as well as the new initiative for Year5 pupils—where we offer our older pupils a very specific feedback strategy to guide, support and challenge their learning and progress.

Finally, I will be in touch to arrange further meetings, only this time, we will be looking to share the new way in which we are going to teach our pupils giving them access to tools that will help enable learning success here and beyond, and throughout their lives. More about that later... Enjoy the weekend. See you all Monday.

Mrs. Sofina Islam OBE,
Headteacher & NLE

The Queen' Platinum Jubilee

Last week we held a picnic for the Queen's Platinum Jubilee.

Children learnt about The Queen's reign and then worked as a class to create their own picnic!

After reciting the National Anthem, we all enjoyed a lovely afternoon in the playground enjoying our sandwiches and scones.

We are sure this was an afternoon to remember for all our pupils and an excellent way to celebrate such an important occasion.
