From the Head Teacher

Dear Parents/Carers

Today, we had our last consultation meeting regarding the Friday 1/2 day closure. I am very happy to announce that from the 86% of parents who attended the meetings, 75% agreed that school should close for children at 1pm every Friday. Parents also like the idea of keeping school open for Yr5&6 pupils on the Friday afternoon. This is so that we can provide one-to-one feedback on learning in order to help accelerate progress and support readiness for secondary transition when our children move on.

Finally, parents were also consulted on extending the school day so as to keep in line with Government guidance to all schools in England in offering at least 32.5hrs of education a week. The same % of parents agreed with opening school at 8:30am and closing at 3:30pm Monday -Thursday.

The staff, Trustees' and I at Stanton Bridge Primary School would like to thank you for you attendance, willingness to engage in the consultation process and support of the school's direction of travel with continuous improvement at the heart of everything we do.

Please have a lovely weekend,

Mrs. Sofina Islam OBE,

Attendance Race

The results for Summer Term 2 week 2 are in!
Wow! Two classes have jumped into joint first place—well done to Mrs Good and Miss Bibi's classes.

There are 3 classes who are currently hot on their heels! Will anyone get 100% attendance?

Remember it's up to each one of you to come to school every day to ensure your class scores the highest number of points possible to win the race. It is also important NOT TO BE LATE!

I hope you are working on your class wish list as you all work together to get 100%
