From the Head Teacher

Dear Parents/Carers

Today we celebrated our class of 2015 (Yr6 children who left us in 2015), who came back to a reunion organised by Staff at Stanton Bridge. We caught up with them to find out what they are doing now, 7 years on. It was wonderful to hear their stories, their successes and what future plans they have. Please look at our Twitter account to see how much they have grown and hear all about what they are doing now. We are so proud of them and cannot believe what amazing, young adults they have become!

It's been a very busy week—year 4 completed their National times tables tests and also made us very proud with how well they performed! They were treated with a visit from the ice-cream van! They loved it!

Year 5 pupils took part in a Career's Day where they got an insight into some of the professions they may wish to follow in the future as young adults. It was a fantastic day, made possible by lots of different professionals giving their time to talk to our pupils. Look out for pictures and reflections on our Twitter page.

This week was also a week for celebrating sporting events—The Commonwealth games is fast approaching and pupils from across school took part in workshops to learn all about the event and the countries taking part.

We love to celebrate pupil's achievements and are so grateful that we can give them experiences that they will still be talking about 7 years after they left us!

Finally, I would like to say how fortunate we are that we belong to such a kind, caring, compassionate community. The money we have raised to support those suffering in the Bangladesh flooding will make such a difference to those in need—thank you to everyone who donated.

Mrs. Sofina Islam OBE,
Headteacher & NLE

School Stars

May I congratulate our children who gained School Star status for

Perseverance of Physical Activities

Attendance Race

- ★ The results for Summer Term 2 week 3 are in!
- ★ Year 4 Miss Bibi's class has raced into the lead this week. Well done!
- ★ The question is, will they be able to stay there OR will the two classes in joint second place—Mrs Good and Miss Akthar's classes take it back?
- ★ Remember it's up to each one of you to come to school every day to ensure your class scores the highest number of points possible to win the race. It is also important NOT TO BE LATE!
- ★ I hope you are working on your class wish list as you all work together to get 100% attendance and claim a prize from your list.

DURING COVID-19

@stanton_bridge

London Trip

Year 4 had a fantastic time in London learning all about the tourist attractions and geographical features within our capital city. We were also lucky enough to watch the changing of guard near Buckingham Palace as we were passing—it was an amazing sight to see! Our tour guide took us around to see and learn about the history of famous landmarks such as Westminster Abbey, The London Eye, Big Ben and The Houses of Parliament. He gave us lots of new, interesting facts such as Big Ben is the name of the bell in the tower - the tower itself is actually called the Elizabeth Tower!

We finished the day with a visit to the Tower of London where we walked around the White Tower and saw lots of interesting things, such as the armour worn the famous King Henry VII. We were exhausted by the end of the trip, but we were so glad we went!

Safety Message

We have recently been made aware of a few incidents near to other schools whereby children have been approached by an adult not known to them.

Please make sure that you talk to your children about what to do if they are approached by strangers whilst they are out playing or on their way to and from school.

Remember **STRANGER DANGER**

Basic Stranger Danger rules include:

- never go anywhere with a stranger.
- never accept gifts or sweets from a stranger.
- never get in a car with a stranger.
- never go off on your own without telling your parents or a trusted adult where you are going.
- tell your child it is okay to break normal, everyday rules if they are in danger.
- encourage your child to SHOUT, KICK, SCREAM, LIE or RUN AWAY, if they feel they are in danger
- give your child a code word or sign that only you (Parents and carers) and your child know. They can use it when they feel they are in danger but don't want other people around them to know
- If out without an adult, tell your child to stay with their friends and not to go off on their own.

It is always a good idea to ensure that your child either knows your contact number off by heart, or has it written on a piece of paper in their pocket so that they or someone helping them can contact you.
