From the Head Teacher

Dear Parents/Carers,

This week, children from across the school have been engaged in fun and exciting learning activities as part of our Curriculum Week!

In Year 1, pupils have worked hard to design and make their own beach bag. In year 2, we have been learning about where food comes from and held a 'Best of British' picnic. In Year 3, pupils came to school and experienced a day in the life of a Stone Age child.

Year 4 have had great fun researching, designing, making and then playing a wire loop game. As part of their castles topic, Year 5 have been using a variety of tools to design and make their own replica trebuchet!

As the weather is predicted to be extremely warm next week, please ensure your child remembers their water bottle and a hat.

Mrs. Sofina Islam OBE,
Headteacher & NLE

Attendance Race

The results for Summer Term 2 week 5 are in!

Year 4 Miss Bibi's class has held onto the lead again.

Year 5 Miss Bajaj's class, Miss Akthar's and Year 2 Mrs Good's class are battling it out for second place.

Remember it's up to each one of you to come to school every day to ensure your class scores the highest number of points possible to win the race. It is also important NOT TO BE LATE!

Cave Art

'Year 3 have gone back in time this week and explored the history of Stone Age and their cave paintings. Children predicted that Neolithic people created cave paintings as a way to communicate with each other about what they had hunted or had seen. Children then created their own cave paintings.'

Amazing Art work from key Stage 1

We are so proud of our budding artists, just take a look at these self portraits.

We are not saying who they are. We are letting the art work speak for itself!
