From the Head Teacher

Dear Parents/Carers,

As part of their RE learning this half term, Year 6 went on a visit to a local Church. They had a great time seeing in action what they had learnt about and were amazed by the beautiful carvings and stained glass that they saw. The staff at the Church were so impressed with the children that they wrote to us after the visit to praise the while year group. They asked lots of questions to deepen their understanding and listened intently to what the staff taught them - well done Year 6, we're proud of you too!

Year 4 children ran assembly to show their parents and carers what they had been learning about. Again, they did a fantastic job communicating their learning and showed examples of how they had applied this meaning throughout many areas of the curriculum. Look out for more of these assemblies - Year 5 is next week!

This week we also held welcome meetings for all those parents who have recently joined us. It was lovely to meet you all and welcome you to the Stanton Bridge community and hope that you too share the aspirations for each and every child. We look forward to seeing you at many more upcoming events.

Our new attendance app 'Study Bugs' has now been launched and we hope that it is already beginning to support with communication for those who need it. If you have not already downloaded the app or are unsure of how to use it, please contact the mentor team via the front office - they will happy to help!

Thank you to all of the families who made a donation to Children in Need by having their faces painted. We are so proud that our value of 'care' is widespread across the community - we were able to make a fantastic donation of £115 to the charity. Thank you for helping us to support those less fortunate than ourselves.

Finally, a reminder that as the weather turns colder, ensure that children have a warm coat, hat and gloves for when they are outside.
