From the Head Teacher

Dear Parents/Carers,

Welcome back to the second half of the Autumn Term, staff and children are refreshed and ready for another learning filled half term.

This week, each year group has further developed their scientific knowledge of Animals and their habitats through a very exciting visit from The Animal Man.

Children across the school held and learnt all about the habitats, food cycles and the natural evolution of insects including a tarantula; reptiles including a skink and a python; a pair of spiny Tenrecs and a beautiful Chinese Wolf.

Our attendance manager, Miss Brandy has held parent workshops throughout the week to introduce the new 'Study Bugs' app. This will enable parents and school to communicate more effectively when pupils are absent from school. Please ensure that if you were unable to attend the workshops, you contact the school to register your interest for the next session.

Poor attendance is one of the biggest barriers pupil face during their education and it is essential that school and families work closely together to ensure that pupils access a full curriculum so that they can achieve to their best potential.

As the weather becomes colder, please ensure that children are sent into school with warm coats, hats and gloves - label them with a clear name and class so that they can be returned if lost.

The next 2 weeks are also filled with fun learning opportunities including visits to places of worship, football, cricket, yoga and Kabaddi!
