From the Head Teacher

Dear Parents/ Carers,

Congratulations to all of the pupils from year 2 to 6 who took part in our Swimming lessons—lots of progress was made and we're looking forward to seeing the return of the pool before we break up for this academic year.

Pupils in years 4 and 5, who have gone above and beyond school expectation to show amazing learning attitudes, were treated to a surprise trip to Harry Potter World last week. 30 very excited children had a wonderful day out and we're looking forward to holding more events in the upcoming term.

We hope you all enjoyed the festivities surrounding the King's Coronation—we had a great time learning all about the event and marking the historical occasion.

All of the hard work has paid off, Year 6 have completed their tests. Staff and pupils have worked unbelievably hard and we are so proud of them!

Year 2 will be completing their National tests over the next few weeks—they too have been working exceptionally hard and we wish them lots of luck!

Mental Health awareness week will be running between the 15-19th of May and we will be running lots of workshops and activities in school with pupils. This is a topic that is extremely important to talk about—if parents wish to find out more information about the help they can access, please contact the mentoring team via the front office.

Walk to school week is also the 15th -19th May, our pupils love to collect their walk to school badges—make sure you walk to school as much as you possibly can, park and stride where its not possible. It's great exercise for all and helps ensure our school entrance is not blocked by cars causing a potentially dangerous situation.

Please keep an eye on our Twitter page to see all of the fantastic work our school is doing!

Mrs. Sofina Islam OBE,
Headteacher
