## From the Head Teacher

Dear Parents/Carers,

Welcome Back to the second half of Spring term! There has been lots of amazing learning happening over the last few weeks, Year 3 took part in a Science Workshop. In this session, they learnt all about life long ago and how scientific discoveries have advance how we live.

Year 1 went on a local walk where they observed what structures they could find within the buildings surrounding school. They drew the shapes they found ready to use these when designing and making their own structures in Design Technology.

Saturday Club is running every week and is providing our families with activities that allow parents and children to spend quality time together. We are so proud that we have been able to run this event every week. Once a month, we are also running our special event Saturday club—we are so grateful to our sponsor Viomar, who enable us to fund the resources to put on a lovely, home cooked menu.

At the end of this week, we celebrated World Book Day. This year we focused on poetry and in particular performance poetry. Each year group had a poem to learn, recite and perform. Key Stage 2 used their poems as inspiration to write their own versions of the poems. Every class recorded their performance for us to share across school. Well done to all pupils—they worked relentlessly to rehearse so that they could showcase the skills that they learnt. We definitely have some future poets in school! Children have been set a challenge for their home learning this week—to learn and record or write and record their own poem at home. All entries need to be uploaded to the World Book Day folder on Showbie, please support your child in doing this—we can't wait to see what they do!!
