From the Head Teacher

Dear Parents/Carers,

We are fast approaching the end of our first half term of this academic year and lots has been going on around school.

We had a fantastic afternoon at the Summer Fayre, thank you to all of those families that came along and enjoyed the activities. A special thank you to the staff who organised the event and contributed to making it a success.

It has been wonderful to see parents join us in our Friday Star awards assembly. We love to celebrate pupils achievements together—this will continue throughout the academic year and we look forward to welcoming you into school.

Pupils have been learning all about the world in which we live during their 'Globetrotters' topic this half term. Year 2 caught the bus to Coventry City Centre to explore all of the physical and human features in the city. Year 3 planned their own journey to Birmingham which included catching a train. They also looked at key features, landmarks and studied some of the fantastic architecture to research and source inspiration for their upcoming art topic.

The whole school celebrated World Mental Health Day where pupils furthered their understanding of how to manage their mental health and learnt more about why our morning meditation sessions are so important for setting up a productive day. Parents can access lots of additional support and advice via our school website.

Thank you to those families that donated food for our Harvest festival. All contributions will be packed into food parcels and given to those most in need within our school community. We are so fortunate to be in a position to be able to help others and model to our pupils how charity and generosity can make a difference to others lives.

Finally, we held parent workshops this week to inform parents of our pupils recent successes and to discuss our school priorities for the coming academic year. This included introducing parents to the metacognition work that we have been embarking on. Sharing these priorities enables us to work together to provide the best learning opportunities for all pupils at Stanton Bridge.

Mrs. Sofina Islam OBE,
Headteacher
