From the Head Teacher

Dear Parents/ Carers,

Thank you to all of those parents who have attended our parent workshops over the last 2 weeks— it was a fantastic turn out and we are so grateful to be building these partnerships with our parents. Please remember to contact the school office if you are unable to attend a workshop so that we can arrange to give you the information on another date.

Our Reading workshop informed parents and carers of the changes we have made to our home reading scheme to ensure that pupils have access to high quality reading materials that are directly linked to their reading ability. This now includes flash cards to enable pupils to become fluent readers.

The Maths Workshop focused on the importance of knowing times tables, pupils are expected to know all tables up to 12x12 by the end of year 4. School has invested heavily in TTRS, an online system that is excellent for developing speed and fluency of times tables knowledge.

Please support us in securing the absolute best outcomes for our pupils by ensuring pupils access Reading eggs, TTRS and are heard read at home.

Happy Chinese New Year to all those families celebrating, we celebrated with traditional foods for lunch and learnt all about the celebration and the year of the rabbit!

Please look out for letters coming home with pupils this week for Parents Evening—we'll be holding the event online for all parents to access. Return the letter to your child's class teacher to book your slot.

Mrs. Sofina Islam OBE,
Headteacher
