## From the Head Teacher

Dear Parents/ Carers,

Thank you to all parents that attended parents evening this week, we hope that you have come away knowing your child's strengths and areas for development. Please ensure that your child is given a quiet space at home where they can complete their reading eggs, times table rockstars and showbie homework each day, then set aside some time to listen to them read. This will help your child immensely in being able to achieve to their highest potential.

Children across the school were rewarded today with a delicious treat for completing all of their home learning every week. For those that didn't quite achieve it this time, there will be another reward coming up soon... we're looking forward to treating even more children!

Years 1 to 6 took part in a Spaghetti Maths Assembly on Thursday—it was so much fun! Every child has taken home a leaflet with more information.

A huge well done to our football team, this week they played their first match as a team. Although the team from Spon Gate won, the boys played well as a team and we are looking forward to watching their skill develop over the rest of the year. The other half of the team will be playing a match in a few weeks time—Good luck!

Next week we will be holding a parent meeting for Year 4 parents all about the upcoming Times table tests and your child's progress, the meeting will be held on Tuesday 14th February at 3pm.

Mrs. Sofina Islam OBE,  
Headteacher
