From the Head Teacher

Dear Parents/Carers,

We have reached the end of the first half term of this academic year and it has been packed full of exciting learning opportunities.

Year 1 took part in their field work element of the Geography curriculum by going on a local walk around Foleshill, where they identified key Geographical locations as well as natural and man-made features

Years 5 & 6 took part in a Knife Crime VR headset workshop led by our school PCSO's - they learnt valuable skills in understanding how to keep themselves safe outside of school. This then extended into some of our younger year groups who learnt about Stranger Danger during their workshops.

We are really proud of the progress pupils have already made since September, they have all settled well into their new year groups and are showing excellent learning attitudes and behaviours. Thank you to all parents who joined us in our first Parents Evening of the year.

Next half term is already looking to be full of learning opportunities including a Science workshop, sports activities with Sky Blues in the Community, music performances and a new round of after school clubs.

Year 6 parents, please ensure that you complete your Secondary school applications as the closing date falls within half term. If you need to make an application over the phone, call the admissions team on 02476945445 between the hours 10am and 3:30pm. The deadline for this is 31st October.

When we return to school after half term, please ensure that pupils are wearing their full school uniform including school shoes (no trainers) and have clothing suitable for outdoors—hats, scarves, gloves as the weather moves into Winter.

Thank you to all of the parents supporting their children in their home learning, these expectations will continue during the next Autumn term.

Every day:

- 10 minutes Reading Eggs,
- 10 minutes TTRS
- Read their reading book
- Practice their spellings

Teachers will continue to set alternating weekly tasks on Reading Eggs and Century. When home and school work closely together, it really does make a difference in increasing pupils academic knowledge and understanding and allows them to apply this to their every day life.

We'd like to wish you all a great half-term and look forward to seeing you back at school on **Monday 4th November**.
