From the Head Teacher

Dear Parents/Carers,

Our Year 2 and 3 children have had a very exciting week going on visits as part of their 'Globetrotters' Geography Learning! Year 2 caught the bus and visited Coventry City Centre to look at the amazing architecture around the city and to identify man-made and natural features. Year 3 caught the train to travel into Birmingham City Centre, they observed the architecture of the Bull Ring and followed their map to take them to various man-made and natural features.

A parent meeting for all Year 6 parents was held this week in which Mrs Good informed all those who attended what Year 6 children would experience in their final year at primary school. She set out the expectations for learning attitudes and how parents and school can work together to ensure pupils are supported in achieving their absolute best. If you missed the meeting, please get in contact with school so that you are also able to access the information.

This week, Stanton Bridge embarked on a new, very exciting partnership with Transformation Partnership/ Armonico Consort. This project will allow pupils to access a range of arts including singing, learning to play instruments and taking part in dance sessions including ballet. The first session was brilliant and all those involved learnt about classical singing—by the end of the session they were fine tuned and singing beautifully! We're excited for future sessions!

Year 5 and 6 will also continue their work with Sky Blues in the community who have been delivering football sessions to pupils. They are learning lots of skills and developing a good understanding of the sport. We have lots of budding footballers—who knows where this may lead in the future—some professional footballers maybe!

Finally, we look forward to seeing you all at Parents Evening. This is a chance to find out how well your child has settled into school and find out what we are going to do together to ensure your child has a successful year.
