From the Head Teacher

Dear Parents/Carers,

We are in our final week of the Spring term! It has been wonderful to see the children's amazing Easter bonnets and models—it was a difficult task in choosing our winners! Thank you to all of the parents who supported their children in making their entries.

Year 1 had a fantastic educational visit to Coombe Abbey where they learnt all about the human and physical features of the park as well as navigating using maps they had created.

Thank you to those parents that joined us for our attendance meetings—it really is essential that school and home work together to ensure that pupils are able to access a full curriculum. We look forward to celebrating improved attendances over the next term. If you were invited to the meetings but were unable to attend, please contact the school office to rebook.

A parent Online Safety Workshop was also held for parents of Years 5 - 6. Staying safe online is a focus for all schools across the country in an age where children have such easy access to the internet, phone apps and social media. It is so, so important to make sure we are all aware of the dangers that children may be exposed to and what we can do to safeguard them. Please do everything you can to attend these meetings.

This academic year we have really enjoyed our special Friday Star Awards Ceremony, it is such a lovely treat having families in school to celebrate along with the children.

Pupils who achieved Good to be Green this term - what a great achievement to have shown outstanding learning behaviours for the whole term. If you didn't make it this term, we know you will be able to do so next term - keep working hard, focusing on your learning and showing care for those around you. Use your metacognition and Growth Mindset—we believe in you!

Half term is **Monday 25th March -Friday 5th April** and school re-opens on **Monday 8th April 2024**.
