From the Head Teacher

Dear Parents/Carers,

Welcome back to the Spring Term!

We are quickly back to learning and all the children have settled back into their classes ready for learning. Year 5 visited The National Space Centre this week to prepare themselves for their topic in science all about space. They had a fantastic day and came back with all sorts of facts and information and can't wait to show us how much they learnt!

Years 1, 2 and 3 took part in a 'Ribbon Dance' workshop in which they learnt about how ribbons and dance are combined to celebrate Chinese New Year. They were taught a beautiful routine of graceful movements using coloured ribbons to traditional music.

Sky Blues in the Community are back in school and working with pupils to develop their football and teamwork skills - we're looking forward to seeing them progress even further over the next few months.

Stanton Bridge has now fully implemented the 'Study Bugs' app so that parents can report absence without the need to make a telephone call to school. Attendance is essential to ensuring that our children do not miss out on vital learning opportunities - we will always contact parents if children are too poorly to be in school. When school and home work together, pupils are given the greatest chance to achieve to their full potential so please only keep children at home where necessary. If you are unaware of the 'Study Bugs' app, please contact school for more information.

School will be closed to all pupils on Thursday 23rd and Friday 24th January 2025 for INSET days.
