

Stanton Bridge Primary School

Crossing the Bridge to Success

Issue 6 – 2026

NEWSLETTER

Headteacher's Message

As we come to the end of another fantastic year at Stanton Bridge Primary School, we would like to take a moment to reflect on some of the many achievements, opportunities and experiences our pupils have enjoyed during this final part of the school year.

One of the highlights of the month was our Careers Day, which gave pupils the opportunity to meet a wide range of visitors and learn about different professions and career pathways. It was wonderful to see the children asking thoughtful questions, listening with such enthusiasm and beginning to consider the many possibilities that may be open to them in the future. We are extremely grateful to everyone who generously gave their time to inspire our pupils and encourage them to aim high.

We were also incredibly proud of our Year 5 pupils, who travelled to Oxford to perform as part of Refugee Week 2026. The children sang beautifully during a special concert at St Barnabas Church in honour of Nujeen Mustafa, alongside other performers, before enjoying the opportunity to explore some of Oxford University's historic colleges. They represented Stanton Bridge with confidence, maturity and pride, and it was a privilege to see them sharing their talents in such an inspiring setting.

This month, we were delighted to welcome Team GB gymnast Winston Powell as part of the Sports for Champions programme. He inspired pupils by sharing his journey and demonstrating the determination required to succeed. Pupils also showed excellent enthusiasm and teamwork during Sports Day, encouraging one another and celebrating their achievements.

We were also incredibly proud of our Year 6 pupils for their wonderful end-of-year performance, The Final Audition. Every pupil contributed to a memorable production that showcased their confidence, creativity and talent. We were equally delighted to celebrate their achievements during their graduation ceremony, which provided a special opportunity to reflect on their journey through Stanton Bridge and recognise how much they have grown.

Thank you to all the parents, carers and visitors who attended these wonderful events and helped to make them such meaningful and memorable occasions for our pupils.

As we approach the end of the school year, we are immensely proud of everything our pupils have achieved. They have worked hard, embraced new experiences and continued to demonstrate the values that make Stanton Bridge such a special school community.

To our Year 6 pupils, we wish you every success and happiness as you begin the next stage of your journey. We hope you continue to aim high, believe in yourselves and carry the values of Stanton Bridge with you into the future. We are incredibly proud of each and every one of you and wish you the very best of luck.

Mrs Sofina Islam OBE

Scan to Watch our Oxford Performance

This month, Year 6 have deepened their understanding of World War Two, learning about evacuation, rationing, life on the Home Front and the impact of the Blitz. During their visit to Coventry Transport Museum and the Herbert Art Gallery, pupils explored the Coventry Blitz through historical artefacts, photographs and personal accounts. The trip helped them understand how the bombing affected the city and how local people showed courage, resilience and community spirit.

Year 6 also enjoyed a well-deserved trip to Drayton Manor in recognition of their hard work, determination and positive attitude throughout SATs. It was a wonderful opportunity for pupils to celebrate their achievements and create lasting memories with their friends.

Questions to ask your child

- Why was Coventry targeted during the Blitz?
- What was life like for people living through an air raid?
- Which artefact or story from the trip did you find most interesting?
- How did the people of Coventry show resilience?

Drayton Manor Memories

Dates for your Diary

Wednesday 15th July 2026 – Final day of term for pupils
Tuesday 1st September 2026 – First day of the new term for all pupils

Attendance

The Importance of Attendance and Punctuality

At our school, every day counts! Regular attendance and being on time are two of the most important ways we can help children succeed and feel confident in their learning.

Why Attendance Matters

When children come to school every day, they:

- Keep up with their lessons and learning
- Build strong friendships
- Take part in exciting activities and opportunities
- Develop good habits for the future

Even missing just a few days can make it harder for children to catch up. Lessons move forward every day, and each one builds on the last. Being in school consistently helps children feel secure, settled, and ready to learn.

Why Being On Time Is Important

Arriving on time helps children:

- Start the day calmly and confidently
- Join important morning routines and instructions
- Avoid feeling rushed or worried
- Show respect for their classmates and teachers

The school day begins promptly, and morning activities often include key learning time. A punctual start sets a positive tone for the whole day.

Every Day. *On Time.* Ready to Learn!

SUPPORTING OUR SEND

Together, we can help every child flourish.

SEND Provision Update

We are delighted to share that our new **Sensory Room** is now open and already being enjoyed by our pupils.

At Stanton Bridge Primary School, we are committed to providing high-quality support for all children with SEND. Our sensory room offers a calm and welcoming environment where children can relax, regulate emotions and explore their senses in a safe space.

The room includes:

- Gentle lighting
- Sensory resources
- Soothing sounds
- Interactive equipment
- Comfortable seating

This space helps pupils develop communication skills, reduce anxiety, improve emotional regulation and support their overall wellbeing.

A place to explore, learn and thrive.

Tips for Home

For children who benefit from sensory activities, you could try:

Playdough, water play or sensory bins

Cycling, scootering or simple obstacle courses

Carrying shopping or helping with household tasks

Every child is different, so finding activities that help your child feel calm, focused and regulated can make a big difference to their wellbeing.

Together, we can help every child flourish.

Sign of the Week – Makaton

At Stanton Bridge Primary School, we are introducing Makaton signs in assemblies and throughout the school day to support communication for all learners.

We encourage families to join in at home. Practising simple signs together can help children build confidence, strengthen communication skills and connect with others.

This Week's Sign:

Help

Stop

Why not learn it together as a family?

SEND Support for Coventry Families

Each newsletter will highlight organisations that offer support, advice and activities for children and young people with SEND and their families.

Ladybird Lodge (Coventry)

Ladybird Lodge provides inclusive sensory play sessions, stay-and-play activities, swimming sessions and holiday activities for children with SEND and their families.

Contact Information

- Coventry-based sessions
- ladylodgcoventry@gmail.com
- Facebook: Ladybird Lodge Coventry

Remember...

We are here to support every child and family. If you have any questions or would like to know more about SEND support at school, please speak to your child's class teacher or contact the school office.

We value...

Wellbeing

Each month, we share the Action for Happiness Calendar to support and inspire our community.

This month's focus is Jump Back Up July.

Jump Back Up July encourages us to think about resilience and the ways we can recover when things do not go to plan. The calendar includes simple daily actions to help us manage difficult feelings, recognise our strengths, ask for support and approach challenges with a more positive mindset.

For children, this might mean taking a small step towards solving a problem, talking to someone they trust, noticing what has helped them through a difficult time or remembering that mistakes are an important part of learning.

Building resilience can help children feel more confident, manage setbacks and develop healthy ways to cope with challenges. This month, we encourage families to explore the calendar together and choose simple actions that will help everyone feel supported, hopeful and ready to try again.

Jump Back Up July 2026

MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	SATURDAY	SUNDAY
		1 Take a small step to help overcome a problem or worry	2 Adopt a growth mindset. Change "I can't" into "I can't...yet"	3 Be willing to ask for help when you need it	4 Find something to look forward to today	5 Get the basics right: eat well, exercise and go to bed on time
6 Pause, breathe and feel your feet firmly on the ground	7 Shift your mood by doing something you really enjoy	8 Avoid saying "must" or "should" to yourself today	9 Put a problem in perspective by seeing the bigger picture	10 Reach out to someone you trust and share your feelings with them	11 Look for something positive in a difficult situation	12 Write your worries down and save them for a specific 'worry time'
13 Challenge negative thoughts. Find an alternative interpretation	14 Get outside and move to help clear your head	15 Set yourself an achievable goal and take the first step	16 Find fun ways to distract yourself from unhelpful thoughts	17 Use one of your strengths to overcome a challenge today	18 Let go of the small stuff and focus on the things that matter	19 If you can't change it, change the way you think about it
20 When things go wrong, pause and be kind to yourself	21 Identify what helped you get through a tough time in your life	22 Find 3 things you feel hopeful about and write them down	23 Remember that all feelings and situations pass in time	24 Choose to see something good about what has gone wrong	25 Notice when you are feeling judgmental and be kind instead	26 Catch yourself over-reacting and take a deep breath
27 Write down 3 things you're grateful for (even if today was hard)	28 Think about what you can learn from a recent problem	29 Be a realistic optimist. Focus on what could go right	30 Reach out to a friend, family member or colleague for support	31 Remember we all struggle at times - it's part of being human		

ACTION FOR HAPPINESS **Happier · Kinder · Together**

SAFEGUARDING FOR PARENTS

KEEPING CHILDREN SAFE AROUND WATER

Water can be fun, but it can also be dangerous.
Together, we can keep children safe.

Drowning can happen quickly and quietly – but many accidents can be prevented. Please follow these simple tips to help keep your children safe.

SUPERVISE ALWAYS

Always keep children within arm's reach near water, even if they can swim. Never leave them unattended – not for a second.

USE SAFETY EQUIPMENT

Use life jackets or buoyancy aids when appropriate, especially in open water, pools and on boats.

STAY ALERT, NO DISTRACTIONS

Avoid distractions like phones or talking to others. Your attention could save a life.

KNOW THE RISKS

Be aware of hidden dangers like deep water, strong currents, slippery edges and sudden drop-offs.

TEACH AND TALK

Talk to your children about water safety. Teach them never to go near water without an adult.

PLACES TO TAKE CARE

Be extra vigilant in and around all types of water:

- Swimming pools
- Paddling pools
- Beaches and the sea
- Lakes, rivers and canals
- Water at home – baths, ponds, buckets and sinks

Stanton Bridge Primary School

If you see someone in trouble in the water, call **999** and ask for the Coastguard.

Thank you for helping us keep our children safe.

Headteacher	Designated Safeguarding Lead	Deputy Safeguarding Lead	Safeguarding Trustee
			
Mrs. S. Islam	Mrs. S. Cooper	Mrs. L. Brandy	Dr. S. Blon

Enrichment

After-School Clubs

Affirmations

Our affirmations encourage children to believe in themselves, develop a growth mindset and recognise their strengths, helping them build confidence, resilience and a strong sense of belonging within our school community.

I can do anything I put my mind to and I will achieve my dreams and goals.

I am brave and curious – every challenge is a chance to learn and grow.

I am a thinker, thinking about my thinking helps my brain grow stronger.

I am proud of me because I am a caring person.

I am proud to be a part of this school because everyone cares for each other.

In the **NEWS**

Staying Safe and Healthy in Hot Weather

A recent news article has highlighted how rising temperatures are affecting schools across the UK, with many classrooms becoming extremely warm during periods of hot weather.

Warm weather is a wonderful opportunity for children to enjoy time outdoors, but it is important to help them stay safe and comfortable.

Children should drink water regularly, wear a sun hat, use sun cream and take breaks in the shade. Encourage your child to tell an adult if they feel dizzy, unusually tired, very thirsty or develop a headache.

Simple ways to stay safe:

-  Bring a bottle of water
-  Apply sun cream before school
-  Wear a sun hat outdoors
-  Rest and play in shaded areas
-  Take regular breaks from the heat

 **Small actions can help children enjoy the sunshine safely.** 

Listening

Equality

Year 1 - Care
Year 1 showed care by learning how we can protect penguins and their habitats.

Care

Our Values in Action

Year 6 - Thinking Flexibly
Examining evidence and drawing thoughtful conclusions about World War Two.

Thinking Flexibly

Year 3 - Listening
Year 3 showed excellent listening by giving their full attention and responding thoughtfully to one another.

Great British Summer Savings

Rising prices can make life's little treats harder to afford, especially during the school holidays when costs build up for families. This Government is determined to help, and that is why last month the Chancellor announced the *Great British Summer Savings* scheme.

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.

The public are ready to get behind the scheme and are keen to take advantage of the discounts available. As trusted pillars of their communities, schools play a vital role in connecting families with important information.

We need you to help spread the word. So please share details of the *Great British Summer Savings* scheme through your newsletters, school apps, and other communications to parents and carers, so that the families in your school community know about the experiences they can enjoy this summer for less.

This forms part of a broader effort by the Government to ease financial pressures on families. From ending the two-child limit and expanding free school meals, to rolling out free breakfast clubs and delivering 30 hours of free childcare, this Government is taking action to put more money back into parents' pockets and give every child the best possible start in life.

As part of this campaign, we have launched an **attraction finder** website which allows families to type in their postcode and find participating venues near them to make the most of summer savings. To use the attraction finder, please visit <https://summersavings.gov.uk>.

Businesses can find out more about the VAT reduction by visiting GOV.UK and searching 'Temporary reduced rate of VAT for family attractions'.

COVENTRY SCHOOL NURSING NEWSLETTER Primary Schools

Welcome to the Summer 2026 term!

The school nursing service works all year round, Monday to Friday excluding public and bank holidays! Our details are at the bottom of the page. We can support with the following:

- Toiletting
- Sleep
- Challenges with eating and diet
- Delivering the NCMF for Reception and Year 6 pupils
- Puberty
- Emotional/Mental health
- Managing behaviour
- Hygiene

WATER SAFETY

WHETHER YOU'RE AT HOME OR ENJOYING A DAY AT THE BEACH, WATER SAFETY IS IMPORTANT FOR EVERYONE!

WATER SAFETY AT THE BEACH:

A day at the beach can be great fun, but it's important to stay safe around water.

- Always supervise children near water.
- Ensure children have appropriate safety gear.
- Check the beach you are going to has lifeguards.
- Look at the flag signs. Around the beach you will find signs telling you which colour flags mean it is safe to go out to sea. These may be placed near to lifeguards. To see the different types of beach flags and signs visit: <https://rnli.org/safety/beach-safety/flags-and-signs>
- Keep an eye on information about the tides- these changes throughout the day.
- Educate children about rip currents/rip tides. Check out the RNLI's (Royal National Lifeboat Institution) website linked below, to watch videos about how to spot rip tides and how to get out of them. <https://rnli.org/safety/known-the-risks/rip-currents>
- Show children the dangers of Tombstoning by watching the linked video, from the RNLI, with them: <https://rnli.org/video-player/17B632B3-79FA-419B-8EFCA0BF001E0E3>
- Learn how to float to live with your child/children by watching the video, linked below, from the RNLI: <https://rnli.org/safety/float>

WATER SAFETY IN YOUR GARDEN:

Even small amounts of water can pose a risk to children.

- Make sure any water storage tanks and drains are covered.
- Turn off garden hoses/pipes when not in use.
- If you have a garden pond, make sure it has a strong cover/fence or barrier surrounding it, which can keep children safe.
- Empty paddling pools, buckets, and containers after use and store them upside down.
- Ensure hot tubs are securely covered and access to pools is restricted.

SUN SAFETY REMINDER

Take a look at these tips for sun safety!

- Seek shade during the hottest part of the day, between 11 am - 3 pm.
- Drink plenty of water to stay hydrated
- Apply sunscreen regularly. The NHS recommends SPF30 or higher with UVA and UVB protection.
- Wear sunglasses to protect your eyes from harmful rays
- Wear lightweight clothing to keep cool

WATER SAFETY CONTINUED

WATER SAFETY IN RIVERS, PONDS, LAKES AND CANALS:

- Ensure children stay away from the edge of the water.
- Children should never walk near lakes, rivers or canals alone and should be accompanied by an adult.
- If you see someone in trouble in the water, call 999 and ask for the fire service.
- If you or your child has fallen in, remember to float to live!

For more water safety advice visit:

TIPS FOR REDUCING SCREEN TIME

Looking for ways to keep children entertained away from screens? Try these fun activities:

1. Arts and Crafts - Arts and crafts are a great way to encourage creativity; try, water paints, paint sticks and colouring activities
2. Cook Together - a great way to learn new skills and spend quality time together.
3. Housework - Children love helping with grown up jobs such as matching up socks and tidying toys.
4. Build a Den - Children love a den. Build it together, make it cosy and then read a book in the den together or encourage them to take toys in the den and play a game.
5. Family Game Night - Once a week turn off all devices and enjoy an hour together playing board games.
6. Get Outside - Go for a walk, ride bikes or scooters, visit the park, collect leaves and sticks for an arts and crafts project or try a family scavenger hunt.
7. Exercise Together - Get moving as a family by putting on some music and having a dance or find a child friendly exercise online video.

TRANSITIONING TO SECONDARY SCHOOL

Moving from primary school to secondary school can evoke a mix of excitement and nervousness for both children and parents. These feelings are completely normal. BBC Bitesize offers valuable advice for parents with children starting secondary school this year, covering both emotional and practical aspects of this transition. Click the link to find out more: <https://www.bbc.co.uk/bitesize/resources/5vpo11934t>

New Reception Parents – Health Questionnaire
Coventry School Nursing Team is asking all parents and carers of children joining Reception in September 2026 to complete a short health questionnaire.

The information provided will help the School Nursing Team understand your child's health needs and ensure that appropriate support is available when they start school.

Please complete the questionnaire using the link below:

<https://forms.chathealth.nhs.uk/index.php/739833?lang=en>

You may receive the link more than once, but the questionnaire only needs to be completed once for each child.

General Information

Study bugs - Please ensure you are reporting your child's absences daily using the study bugs app. To download the app you can find this on the school website and click on the link and follow the instructions.

Contact Information - It is your responsibility as a parent to ensure the school office are notified of any change in contact details, such as address, telephone number or email address. This is to enable us to get in touch with you in an emergency but also to ensure you are receiving communication from school through all these platforms.

Dinner money - Reminder dinner money is £2.50 This needs to be paid daily or weekly.

If you have an outstanding balance, your child must bring in a packed lunch until this balance has been cleared.

Free School Meals - If you receive a letter from the council stating your child is eligible for free school meals you must bring this into the office to allow us to update our system.

Lateness—School starts at 8:30am and your child must be present on the school playground ready to be taken to class by their teacher. Please also ensure that you are collecting your child on time at the end of the school day.

Any late drop off/collections will result in a fine.

Attendance— It is the parent's responsibility to ensure that your child attends school everyday. If for any reason your child can not attend school, you must inform the school office.

Uniform - Please ensure that your child is wearing the correct uniform. This can be purchased from the school office on a Thursday, order forms will need to be completed beforehand.

Parent Code of Conduct

- * Be polite to others no raised voices.
- * Contribute to a positive school environment.
- * Act as positive role models.
- * Work together with staff to resolve issues or concerns.

Can all parents ensure you adhere to the above code of conduct whilst on school premises, if other family members or friends are attending on your behalf please ensure they are also made aware. Failure to adhere to the above is likely to result in a ban from school premises.

All communication from parents should be respectful and socially acceptable.

Due to health and safety protocols please do ensure that your child is not playing on the school's equipment when collecting them. Thank you. A polite reminder to all parents that appropriate attire must be worn when dropping and collecting your child to school.

Dressing gowns and nightwear are not appropriate. On the first incident you will be spoken with and repeated inappropriate dress code will result in a ban. It is an expectation that as a parent of a pupil of Stanton Bridge, you will fully engage with the schools policies and procedures in supporting your child's education.

Remember you can contact us via the schools email:

admin@stantonbridge.coventry.sch.uk
