## From the Head Teacher

Dear Parents/Carers,

A huge 'Thank You', to those parents who helped when we had an emergency situation on site this week. It was amazing to see how you took control of the traffic and assisted in directing parents.

Due to the straightforward thinking of others, the pathway for the emergency ambulance was kept clear. Goodness knows what would have happened if we had the normal traffic chaos in Oliver Street!

## Diary Dates

### Please note holiday dates:

October half term starts Saturday 24th October 2020 and ends on Sunday 1st November 2020.

There will be 2 teacher training days Monday the 2nd November and Tuesday 3rd November 2020. Children are expected in school on Wednesday 4th November 2020

End of Autumn term starts Saturday 19th December 2020 and ends Sunday 3rd of January 2021

## Drinks

Parents just a quick reminder when you send your children into school with drinks. Please only send water. It is also a good idea to clearly write your child's name on the water bottle.

## Flu Vaccinations

The children's flu programme is extremely important since it not only protects the child itself but also protects vulnerable other family members and the wider community. We have recently visited your child's school and had a lower than average return of consent form rate. If your child has missed the opportunity to have their influenza nasal spray vaccination with the team while in school you still have an opportunity to book an appointment in clinic.

The team can also support with information on any concerns that you may have around vaccine contents and different options available.
