From the Head Teacher

Dear Parents/Carers,

Welcome back to the new academic year! It was lovely to receive our pupils back to school on Monday, looking very smart in their school uniforms, ready for learning and socialising with their peers after what we can only hope has been a good summer break for all.

We've had some work done over the summer. Parents who come to school via Crabmill Lane will have noticed that the entrance has had a little make-over thanks to the Trustees at Stanton Bridge, who were keen to give the back entrance a fresh look and add signs to guide new parents and visitors to our school towards the reception office. We hope you like what has been done!

I would also like to thank all of our families, who continue to follow our local authorities' safeguarding measures for keeping Coventry families and their school communities safe, by respecting the risk assessment measures for COVID 19.

We were happy to give out free masks on Monday, please keep wearing them on the school premises and keep safe distances from other families. Let's keep as safe as we possibly can, so school can continue to remain open for all learners.

Finally, have a lovely weekend and we look forward to seeing you back next week.

Mrs. Sofina Islam OBE,

Breakfast Club

A quick reminder that breakfast club begins on **Monday 13th September 2021**.

Unfortunately, breakfast club is so popular we are over subscribed. If you would like to put your child on the waiting list, please let us know and as soon as a vacancy comes up we will call you to offer a place.

Dinner Money Reminder

Please note that if your child has moved to year 3 you will now have to pay dinner money weekly unless they have a packed lunch from home or you are entitled to free school meals.

Dinner money is now £11 per week. This breaks down to just £2.20 per day. I am sure you all agree that this is good value.

Boot Fund

The First Consignment of the Boot fund round 1 applications are available now and can be collected from the school's main office.

All applications have to be sent to the Boot Fund by 21st September 2021 if they are to be looked at in round 1.

Applications **MUST** be returned to school by **Wednesday 15th September**, we will then send them by post once completed.

Musician of the Month

Each Month, we introduce pupils to 'Musician of the month'. They learn all about the musician and their music throughout the month. This month it is classical composer Pachelbel. We have enjoyed listening to his composure, Canon in D, during our assemblies.

Curriculum

We are really excited about our Autumn term topic 'Globetrotters'. In this topic, each year group will be learning about a different place in the world. You can find out more information about your child's topic on our online learning platform Showbie.

We are also setting home learning tasks on Showbie rather than paper copies this year—pupils just need to log in, complete the tasks and upload their work to Showbie for their teacher to see. Weekly spellings, Reading eggs and TRRS tasks will also be provided through Showbie.

Please encourage your child to talk about their learning and complete independent research at home, which can then be uploaded to their Showbie account. Encourage them to be as creative as they can when presenting their research. We will be giving out rewards and prizes for independent home learning!

Each child will be given a list of their passwords including for Showbie, please ensure that these are kept in a safe place and can be easily accessed.

This year, we are further incorporating technology into our lessons and developing pupils' skills when using computers and iPads. - I'm sure you will agree that these skills are essential for the future!
