Head Teacher NLE & NSS: Mrs. Sofina A M Islam OBE
MA Leadership & Management in Education
ERA Leadership in Education Award - 2014
B.Ed. (Hons) Primary, NPQH

Dear Parent/Carer,

We're excited to introduce **NumBots**, a new online platform from the creators of Times Tables Rock Stars, designed to help Year 1 and 2 children strengthen their addition and subtraction skills.

Playing regularly—just a few minutes at a time—can greatly boost your child's recall of number bonds and key maths facts, which are essential building blocks for future success.

Logging In

You'll receive a link via text to access the website or download the app. Children use their existing TTRS login details and have been shown how to log in at school. They may need help getting started at home, but once logged in, they can play independently for 5 minutes in a quiet space.

If you have any trouble logging in, please speak to your child's teacher.

Important: Please support your child if they're stuck, but ensure they complete the activities themselves—no help from siblings or others, please.

Kind regards,

Mrs Shelina Suleman

Deputy Headteacher & Maths Lead

Yours sincerely

Mrs Shelina Suleman

DHT

Maths Lead
