

Coventry School Nursing Newsletter

July — August 2022

IS IT SUMMER YET?

It sure is! The Coventry School Nursing team would like to wish you all a pleasant and safe summer holiday!

Remember that our team works all year round meaning we are here for you in the school holidays too!

If you have any queries or concerns please message us on our text, ChatHealth service number:

07507 329 114

Just to remind you we are not an emergency service so if your concern is urgent please call 999 or 111.

We know you've all been working very hard and want to relax and have some fun now that school is nearly out. You deserve the break but remember that there are lots of dangers that we would like to remind you to be careful of so that you can enjoy your break worry free.

Take a look at our Health for Kids site for a video presentation of our summer safety tips!

Check out more information on how you can save money on your energy bills with support from Act on Energy. With the change in weather and more time spent

Who We Are

When your child first enters school, health advice is transferred from the Health Visiting Service to the School Nursing Service. This service continues until your child leaves education.

The School Nursing Team provide an accessible service to children, young people, families, carers and members of the local community.

Confidentiality

Whilst we offer confidentiality, members of the School Nursing Team work in partnership with other agencies, where information may need to be shared in the best interest of your child.

Consent

The School Nurse Team will obtain consent from parents and carers before supporting children and young people. In secondary schools young people can access the School Nurse independently for advice and support without parental consent, although we would always encourage young people to speak with their parent/carer.

Outdoors, it is a good time to refresh your asthma awareness follow this link:

July — August 2022

Parent Information Sessions

School Nursing are continuing to offer FREE virtual health information sessions especially for parents/carers.

These run throughout the year & include sessions around managing toileting, behaviour, challenges in eating & sleep. We have now added sessions on anxiety to this list too!

Booking onto the sessions may have been challenging for some of you so we have changed the process to make it more user friendly.

All you need to do is, scan the QR Code (see below) using your phone's camera or type/copy the link (see below) of the session you want to join, on a Google Chrome web browser and complete the booking form.
