Dear Parents/Carers,

We are having our annual professional photographers Braiswick Photography coming in to take pictures of our pupils. Parents will have the opportunity to purchase professional photographs of their children. There will be individual and siblings photographs.

This will take place on Thursday 17th June 2021 at Stanton Bridge Primary School.

Further details of prices of the pictures will be enclosed in the free proofs which the company will provide.

Ensure your children are sent into school wearing the correct full, school uniform which is also clean and has been ironed (please check the school website for information on uniform). We will be abiding by our COVID-19 risk assessment and ensuring equipment and the area is cleaned before used by another group.

Please complete the section below.

Kind regards
Mr Thuhel
