

Reception Newsletter

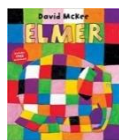

RWInc

The Reception children have been working really hard on their phonics this term and have almost finished all of their set 1 sounds! All children will continue to work on these sounds next term and practice using them to spell words and to write simple sentences. We have also been working hard on our action words; mum, dad, my, said, you, I, he, she, no, can, yes, am, going, to and are.

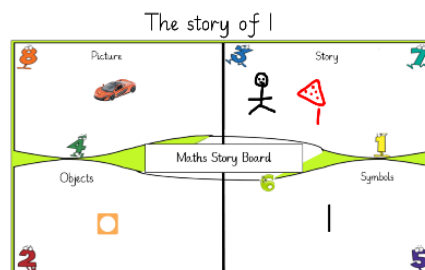

Reading – Amazing Books!

This term the children have read some amazing books; Elmer, The Gingerbread Man and The Three Little Pigs. They have really enjoyed learning new words, exploring different settings (jungle, house), acting out the stories through role play and creating story maps to extend their learning. The children were able to follow a recipe to make their own gingerbread man! They were delicious!

Maths

In Maths the children have been working on their counting to 10 and beyond. They have learnt how to count accurately and are continuing to work on their problem solving skills related to this. The children have been completing Maths storyboards. We have also been learning about 2D shapes and their properties, we have drawn them, made models and have been describing them.

Thank you for your support with the children's reading, action words and also their weekly homework.

The Reception Team.
