Head Teacher NLE & NSS: Mrs. Sofina A M Islam OBE MA Leadership & Management in Education ERA Leadership in Education Award – 2014 B.Ed. (Hons) Primary, NPQH

Stanton Bridge Primary School

Wednesday 4th November 2026

Dear Parents and Carers,

During parents' evening meetings, many families asked about revision materials or study books to help their child prepare for the upcoming SATs tests. Whilst we continue to recommend the use of Century, we understand that some families may prefer physical books to further support their child's learning. As a school, we are able to source these materials for you.

We are offering the following **bundle of four books for £15.00**:

- KS2 English SATs Revision Book
- KS2 English SATs Question Book
- KS2 Maths SATs Revision Book
- KS2 Maths SATs Question Book

These books closely match the curriculum taught in school and provide an excellent way for pupils to revise independently or with support at home.

If you would like to purchase this bundle, please make a payment of £15.00 through ParentPay by Monday 16th November 2026.

There is no need to return a reply slip, as your payment through ParentPay will confirm your order.

Yours sincerely,

Mrs E. Good

Assistant Headteacher and Year 6 Lead
