4.7.2022

Dear parents and carers,

At the end of this term, Stanton Bridge will be holding another 'Spelling Bee' competition of the year. The aim of this competition is to further develop pupils' spellings and ensure they meet the end of year National Curriculum expectation for spelling.

The competition will run as follows:

Stage 1: Pupils learn the set words given in line with the national curriculum expectations for their age. These words can be found in your child's reading diary.

Stage 2: Pupils compete against the pupils in their class to find the top 2!

Stage 3: Pupils will be given an additional spelling list to learn in preparation for stage 3. Pupils compete online against other pupils in the allocated year groups. The winner of this stage becomes the Stanton Bridge Spelling Bee champion!

Over the next two weeks, please ensure that your child(ren) practice their spellings in preparation for the competition! Round 1 will take place on Monday 11th July and round 2 will take place from Monday 18th - Wednesday 20th July. Good luck!

Kind regards,

Mrs Mahmood
KS1 Phase leader & Reading lead
