

Volume 3. Issue 1.
Autumn 1

Year 4 Newsletter

The Year 4 team consists of Mrs. Good, Miss. Bibi, Mr. Lillicrapp and Mrs Shaw.

What have we been learning?

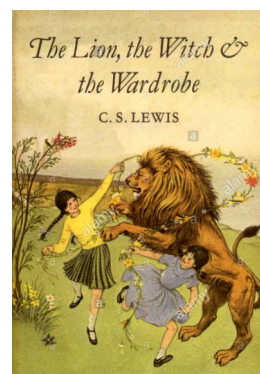

What an exciting start to the year! We have been very pleased with the way the children started the new year and focused in their learning. Well done, Year 4!

We have worked very hard in our new topics with the children engaged in their learning and trying their best in their lessons.

English

In English, we have been focusing on a fantasy story called 'The Lion, The Witch and The Wardrobe' by C.S. Lewis. We have enjoyed reading the story and learning the different features of fantasy story. We have written our setting description of Narnia which we put a lot of hard work into. We learnt and applied new features such as fronted adverbials, relative clauses and expanded noun phrases. Right now we are learning the story and cannot wait to write the story ourselves.

See if you can tell our story using these pictures:

Maths

In Maths, we have been consolidating our knowledge of multiplication, division, addition and subtraction. We applied what we learnt using word problems, reasoning and problem solving. **Have a go at solving some of these questions:**

Kelly has 14 blue marbles, 21 green marbles, 31 multi-colored marbles and 9 smokey marbles. How many marbles does she have?

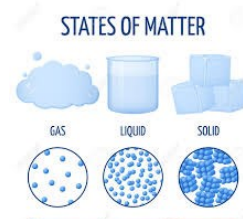

Marci has 36 candies to share with 3 friends. How many candies will each friend get?

Science

In Science, we have been learning about states of matter. The three states of matter include: solids, liquids and gases. We have also learnt about the properties of these and the different states of changes.

For example: A liquid into a solid is called **freezing**.

Can you name all properties of the states of matter and the different states of change?

Reading Books

Please take your child to Foleshill library to enforce a love for books in children. Please ensure that you read with your child whenever you get the chance to enhance their reading skills. Reading books need to be brought to school every day.

Well done to all of year 4. We are so pleased some children have been consistently getting 10/10 every week.

HOME LEARNING

Homework is set every week on Purple Mash. Please encourage children to log on and complete their homework. Spellings and times tables homework is also set.

The children are currently enjoying competing against each other in our time tables rock stars competition. Please encourage them to practise at home using the website.
